CRUISE *in* LOFT STYLE

The B.LoFT family introduces a new approach to onboard living, inspired by the open, airy layouts of contemporary lofts and multi-level villas. At the heart of this vision is a new perception of space, achieved through the generous interior heights — a design choice that defines the onboard experience and offers guests an exceptional sense of freedom.

The vertical dimension becomes a structural principle, while the extensive use of glass

allows natural light to flood the interiors, blurring the line between inside and out.

Born from the collaboration between **Benetti** and **Cassetta Yacht Designers**, the B.LoFT 58M offers a multi-layered spatial journey, where each deck flows seamlessly into the next. A yacht that feels open, connected, and architecturally coherent, a refined expression of contemporary life at sea.

B.LOFT 58M

The B.Loft 58M captivates with its unexpected architectural language and a redefined sense of space. Its innovative design reshapes the yacht's flow and vertical connections, introducing a distinctive pattern of entry and movement that ensures a seamless transition between areas.

Bringing guests closer to the water, the expansive beach area extends up to 120 sqm, for an immersive seaside experience. At its heart, the Cabana Club offers a unique retreat, where glass doors fully open on three sides to unveil a breathtaking 180-degree ocean view. This inviting space allows guests to embrace the open air while enjoying the comfort of shade, striking the perfect balance between freedom and relaxation.

01

EXTERIOR & INTERIOR DESIGN

The more than decade-long partnership between **v** and **Cassetta Yacht Designers** stands as one of the shipyard's longest and most successful, marked by a series of remarkable yachts, including nine bespoke creations over 60 metres, such as the stunning 107M gigayacht M/Y Luminosity.

⋮ Cassetta

The B.Loft 58M was envisioned as a yacht that blends the sophistication of high-end real estate with the spirit of freedom that defines life at sea.

To bring this concept to life, a multi-layered architectural language enhances the sense of openness across the external areas. A dynamic dialogue between the decks, encouraging movement and exploration while redefining the outdoor experience.

The structure of the B.Loft 58M is designed to merge seamlessly with its natural surroundings. Large windows invite light to permeate the interiors, offering sweeping views and transforming the yacht into a floating loft suspended between sky and sea.

02

THE CABANA CLUB A GRAND WELCOME ON BOARD

The B.Loft 58M offers a refined sense of welcome from the very first step on board. Guests are received via a sculptural staircase that leads to the generous open-air lounge on the Main Deck.

Alternatively, the Cabana Club opens into a more intimate atmosphere, directly connected to the Lower Deck, where four guest cabins are located. This elegant access ensures a seamless transition into life on board, blending comfort and privacy.

The Cabana Club introduces a fresh, new vision

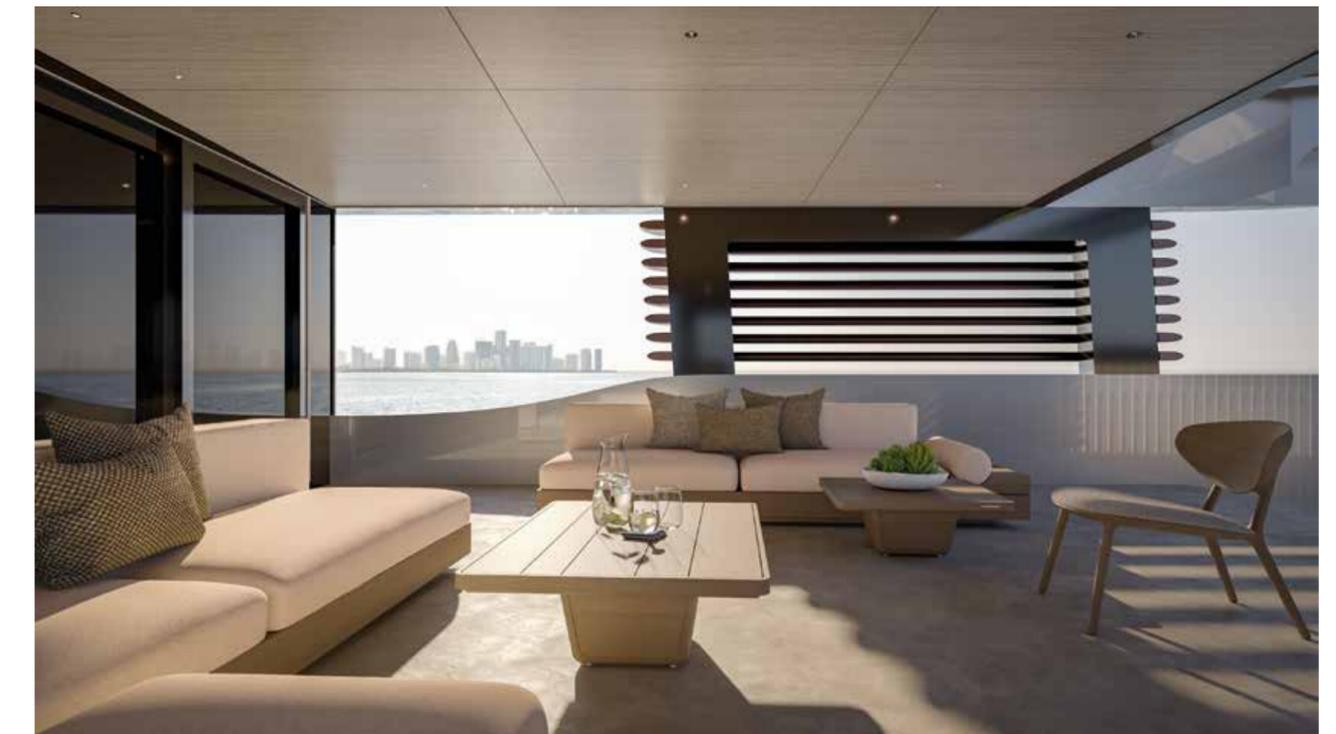

of the beach club, fully integrated into the yacht's outdoor living concept. Situated on the expansive 120 sqm beach area, this unique lounging spot is bathed in natural light thanks to glass walls and the transparent bottom of the plunge pool above, exuding a calming, open-air atmosphere

With the glass doors open on all three sides, the Cabana Club allows for a breathtaking 180-degree view of the ocean. Its flexible nature offers the possibility to cherish the freedom of an open-air setting while remaining in the shade's comfort.

The Cabana Club also acts as a seamless transition between the beach club and the interior of the Lower Deck. A watertight door provides direct access to the four aft guest cabins, ensuring both practicality and privacy.

This unique spatial arrangement optimises connectivity between the guest cabins and the yacht's core areas, enhancing both convenience and fluid movement throughout the B.Loft 58M.

03

MAIN DECK THE ART OF AL FRESCO LIVING

Perched atop the Cabana Club, a wide open-air lounge welcomes guests via a grand staircase. This exclusive space offers breathtaking panoramic views, further elevated by an 11 sqm plunge pool—an inviting retreat for relaxation and immersion in the surroundings.

Spanning over 100 sqm, the al fresco area seamlessly blends the open-sea lifestyle with the yacht's refined interior. This semi-covered space strikes the perfect balance, offering the freedom of outdoor living while maintaining the comfort of sheltered surroundings.

INVITING ATMOSPHERES

From the al fresco area, a wide glass sliding door opens into the interior, creating a fluid connection between outdoor enjoyment and refined indoor living.

This seamless transition underscores the B.Loft 58M's commitment to redefining contemporary onboard life.

The Main Deck reimagines the dining experience with a spacious, light-filled setting that merges elegance and modernity. At its heart, the dining area spans over 45 sqm, framed by striking full-height windows extending an impressive 5 metres in length.

These expansive openings flood the space with natural light, amplifying the sense of openness and connection with the sea.

OWNER'S SUITE

Positioned at the forefront of the Main Deck, the Owner's Suite spans an impressive 80 sqm, setting a new benchmark in its category. This full-beam retreat is designed to offer the ultimate in privacy, comfort, and versatility.

The expansive area is illuminated by natural light, pouring through a 30 sqm surface of panoramic glazing, while the high ceiling enhances the sense of openness. A private ensuite terrace extends the living space outdoors, offering a refined hideaway where comfort and privacy meet.

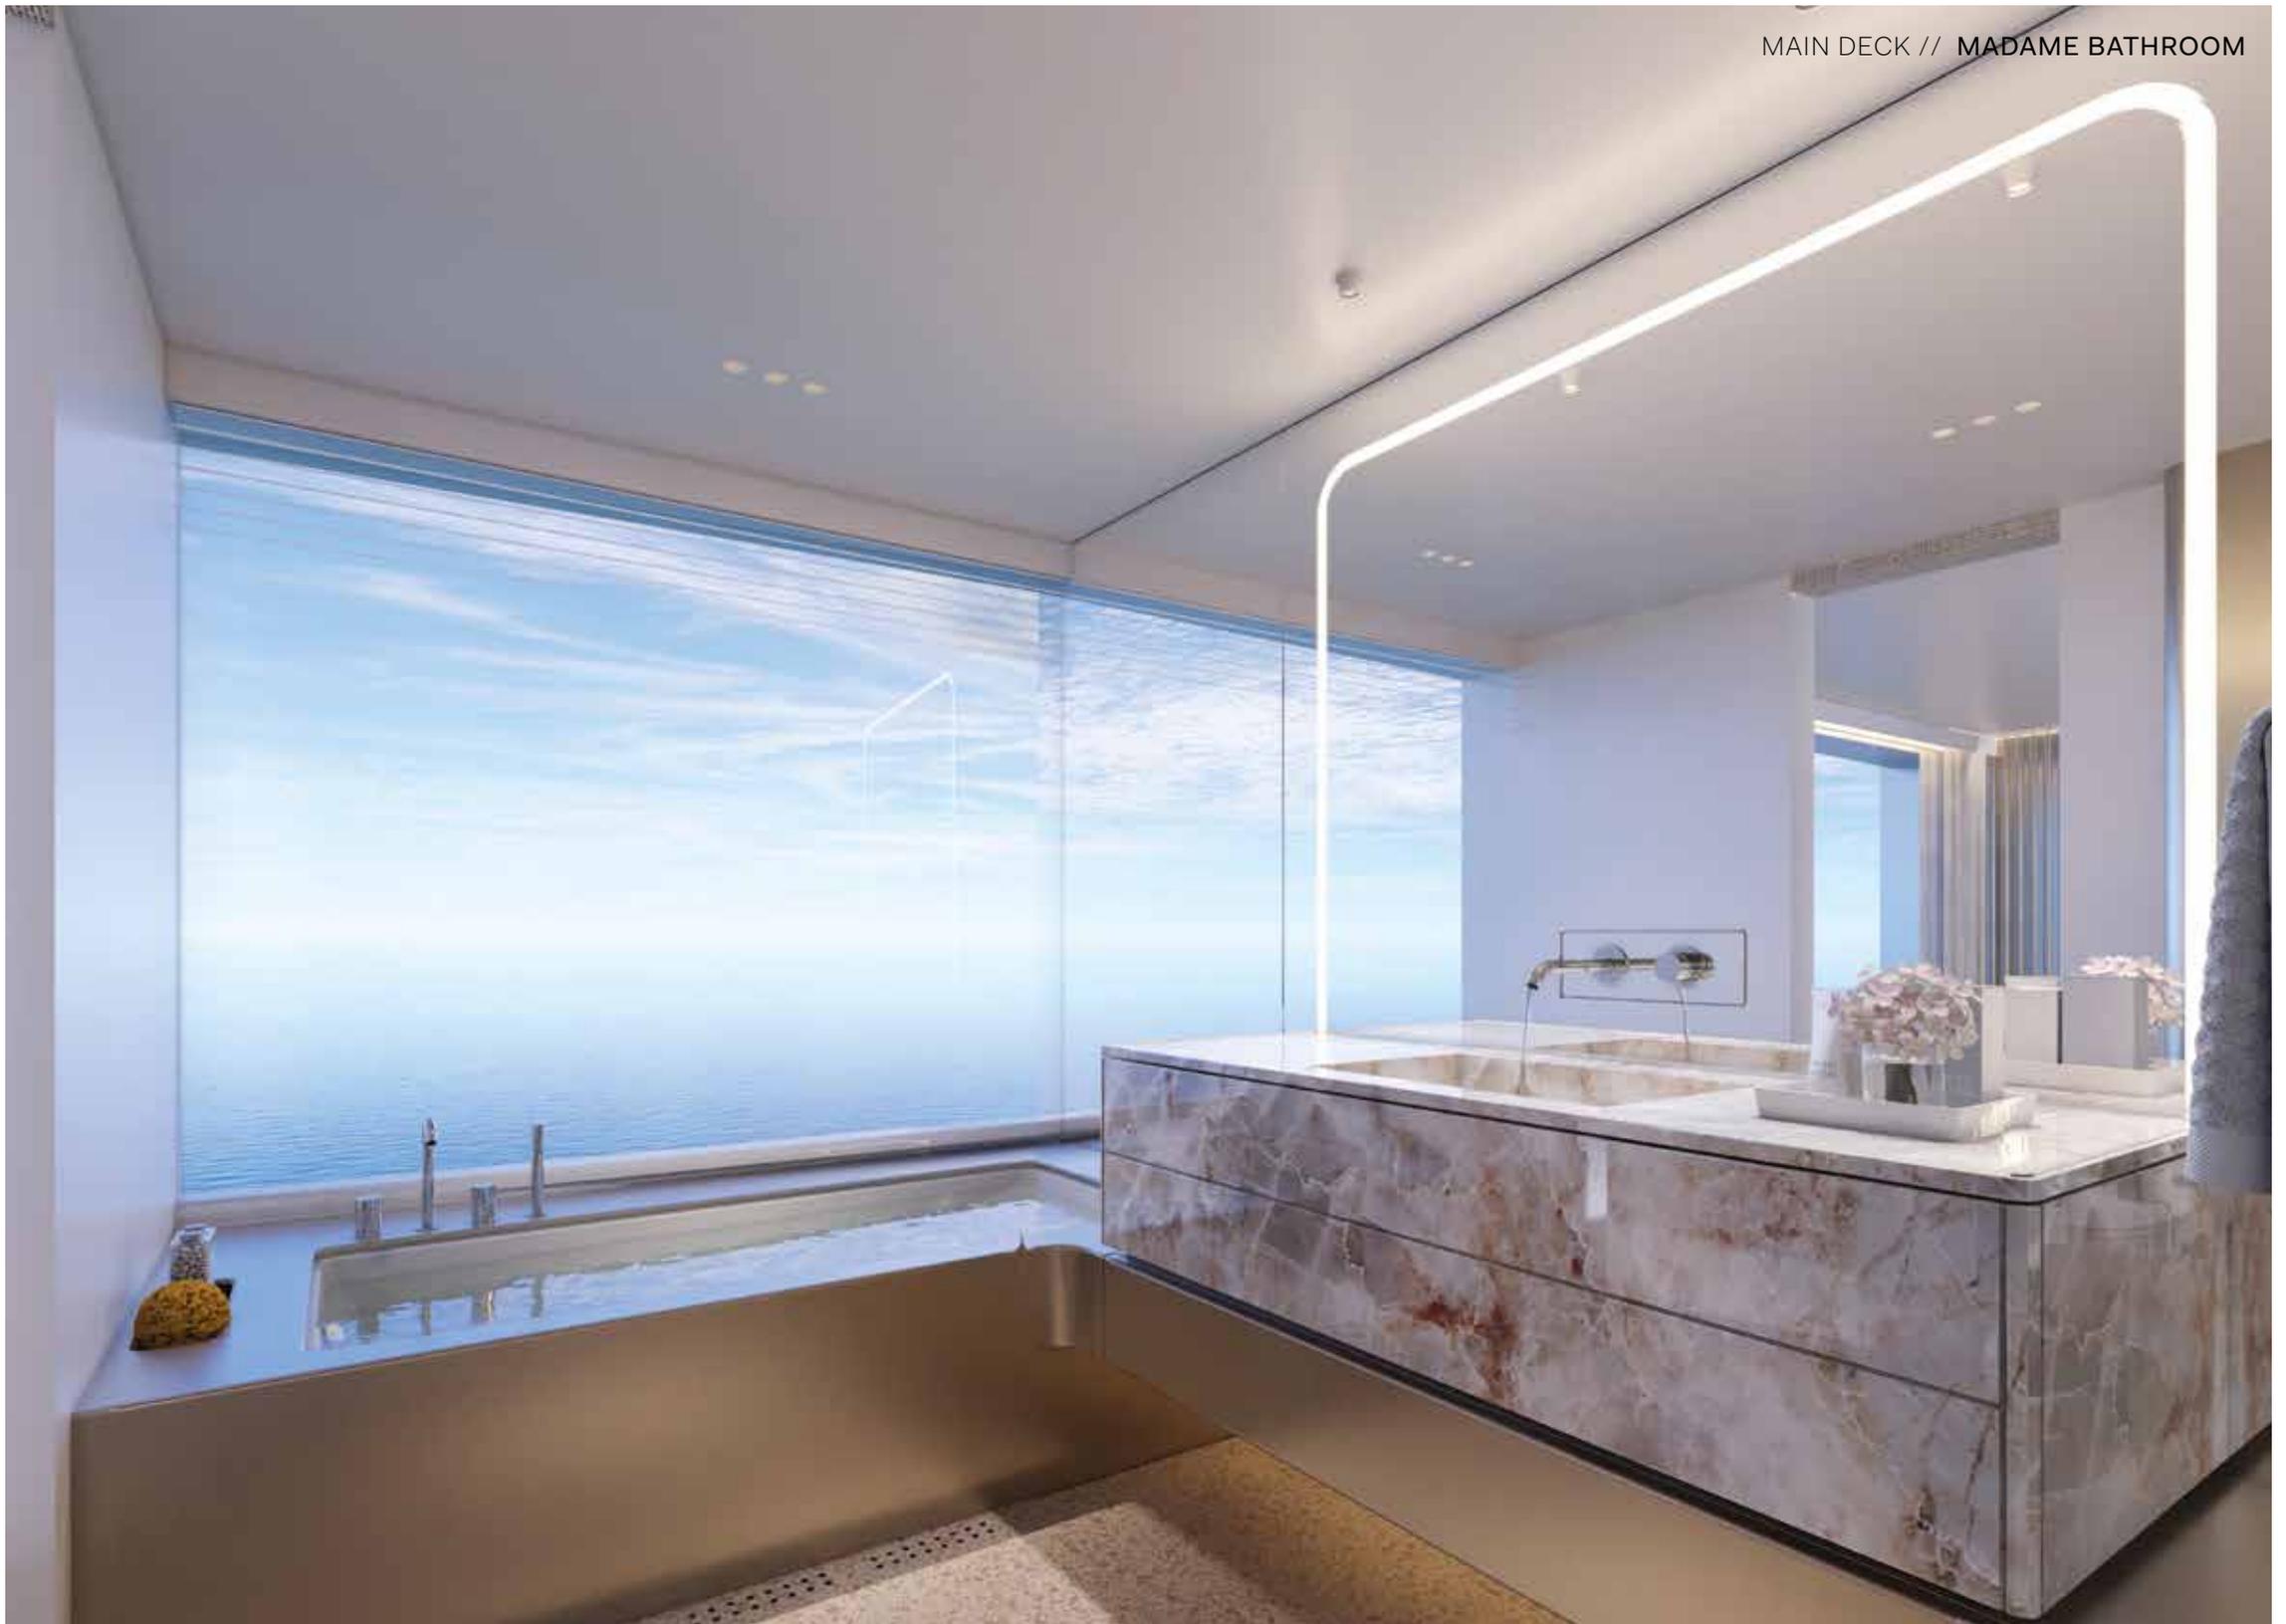

Curated details define the apartment's layout, including a private lounge area, two walk-through wardrobes, and His & Her bathrooms, ensuring an effortless blend of elegance and functionality.

Adding to its versatility, the Owner's Office is designed as a multi-functional space, easily transforming into a dedicated area for well-being, catering to the evolving needs of modern yachtmen.

04

UPPER DECK LOFT-STYLE LIVING

The Upper Deck Sky Lounge, spanning more than 70 sqm, is an immersive and thoughtfully designed space. With stunning floor-to-ceiling heights of 3.5 metres, further amplified by double-height windows, the lounge establishes a dramatic vertical openness that defines the ambience, evoking the spatial grandeur typical of loft architecture.

This soaring volume not only enhances the visual connection with the outdoors, but also creates a liberating sense of lightness and scale.

The Upper Deck also features a 40 sqm panoramic terrace, partially shaded by a sleek overhead grid that filters natural light while providing protection

from direct sun exposure. Overlooking the aft of the yacht, this elevated retreat offers breathtaking views of the relaxation area atop the Cabana Club.

At its center, a large dining table invites guests to enjoy a sophisticated yet casual setting. Designed to reinforce the yacht's loft-inspired aesthetic, the terrace creates the sensation of an expansive open-air space, reminiscent of a modern urban penthouse.

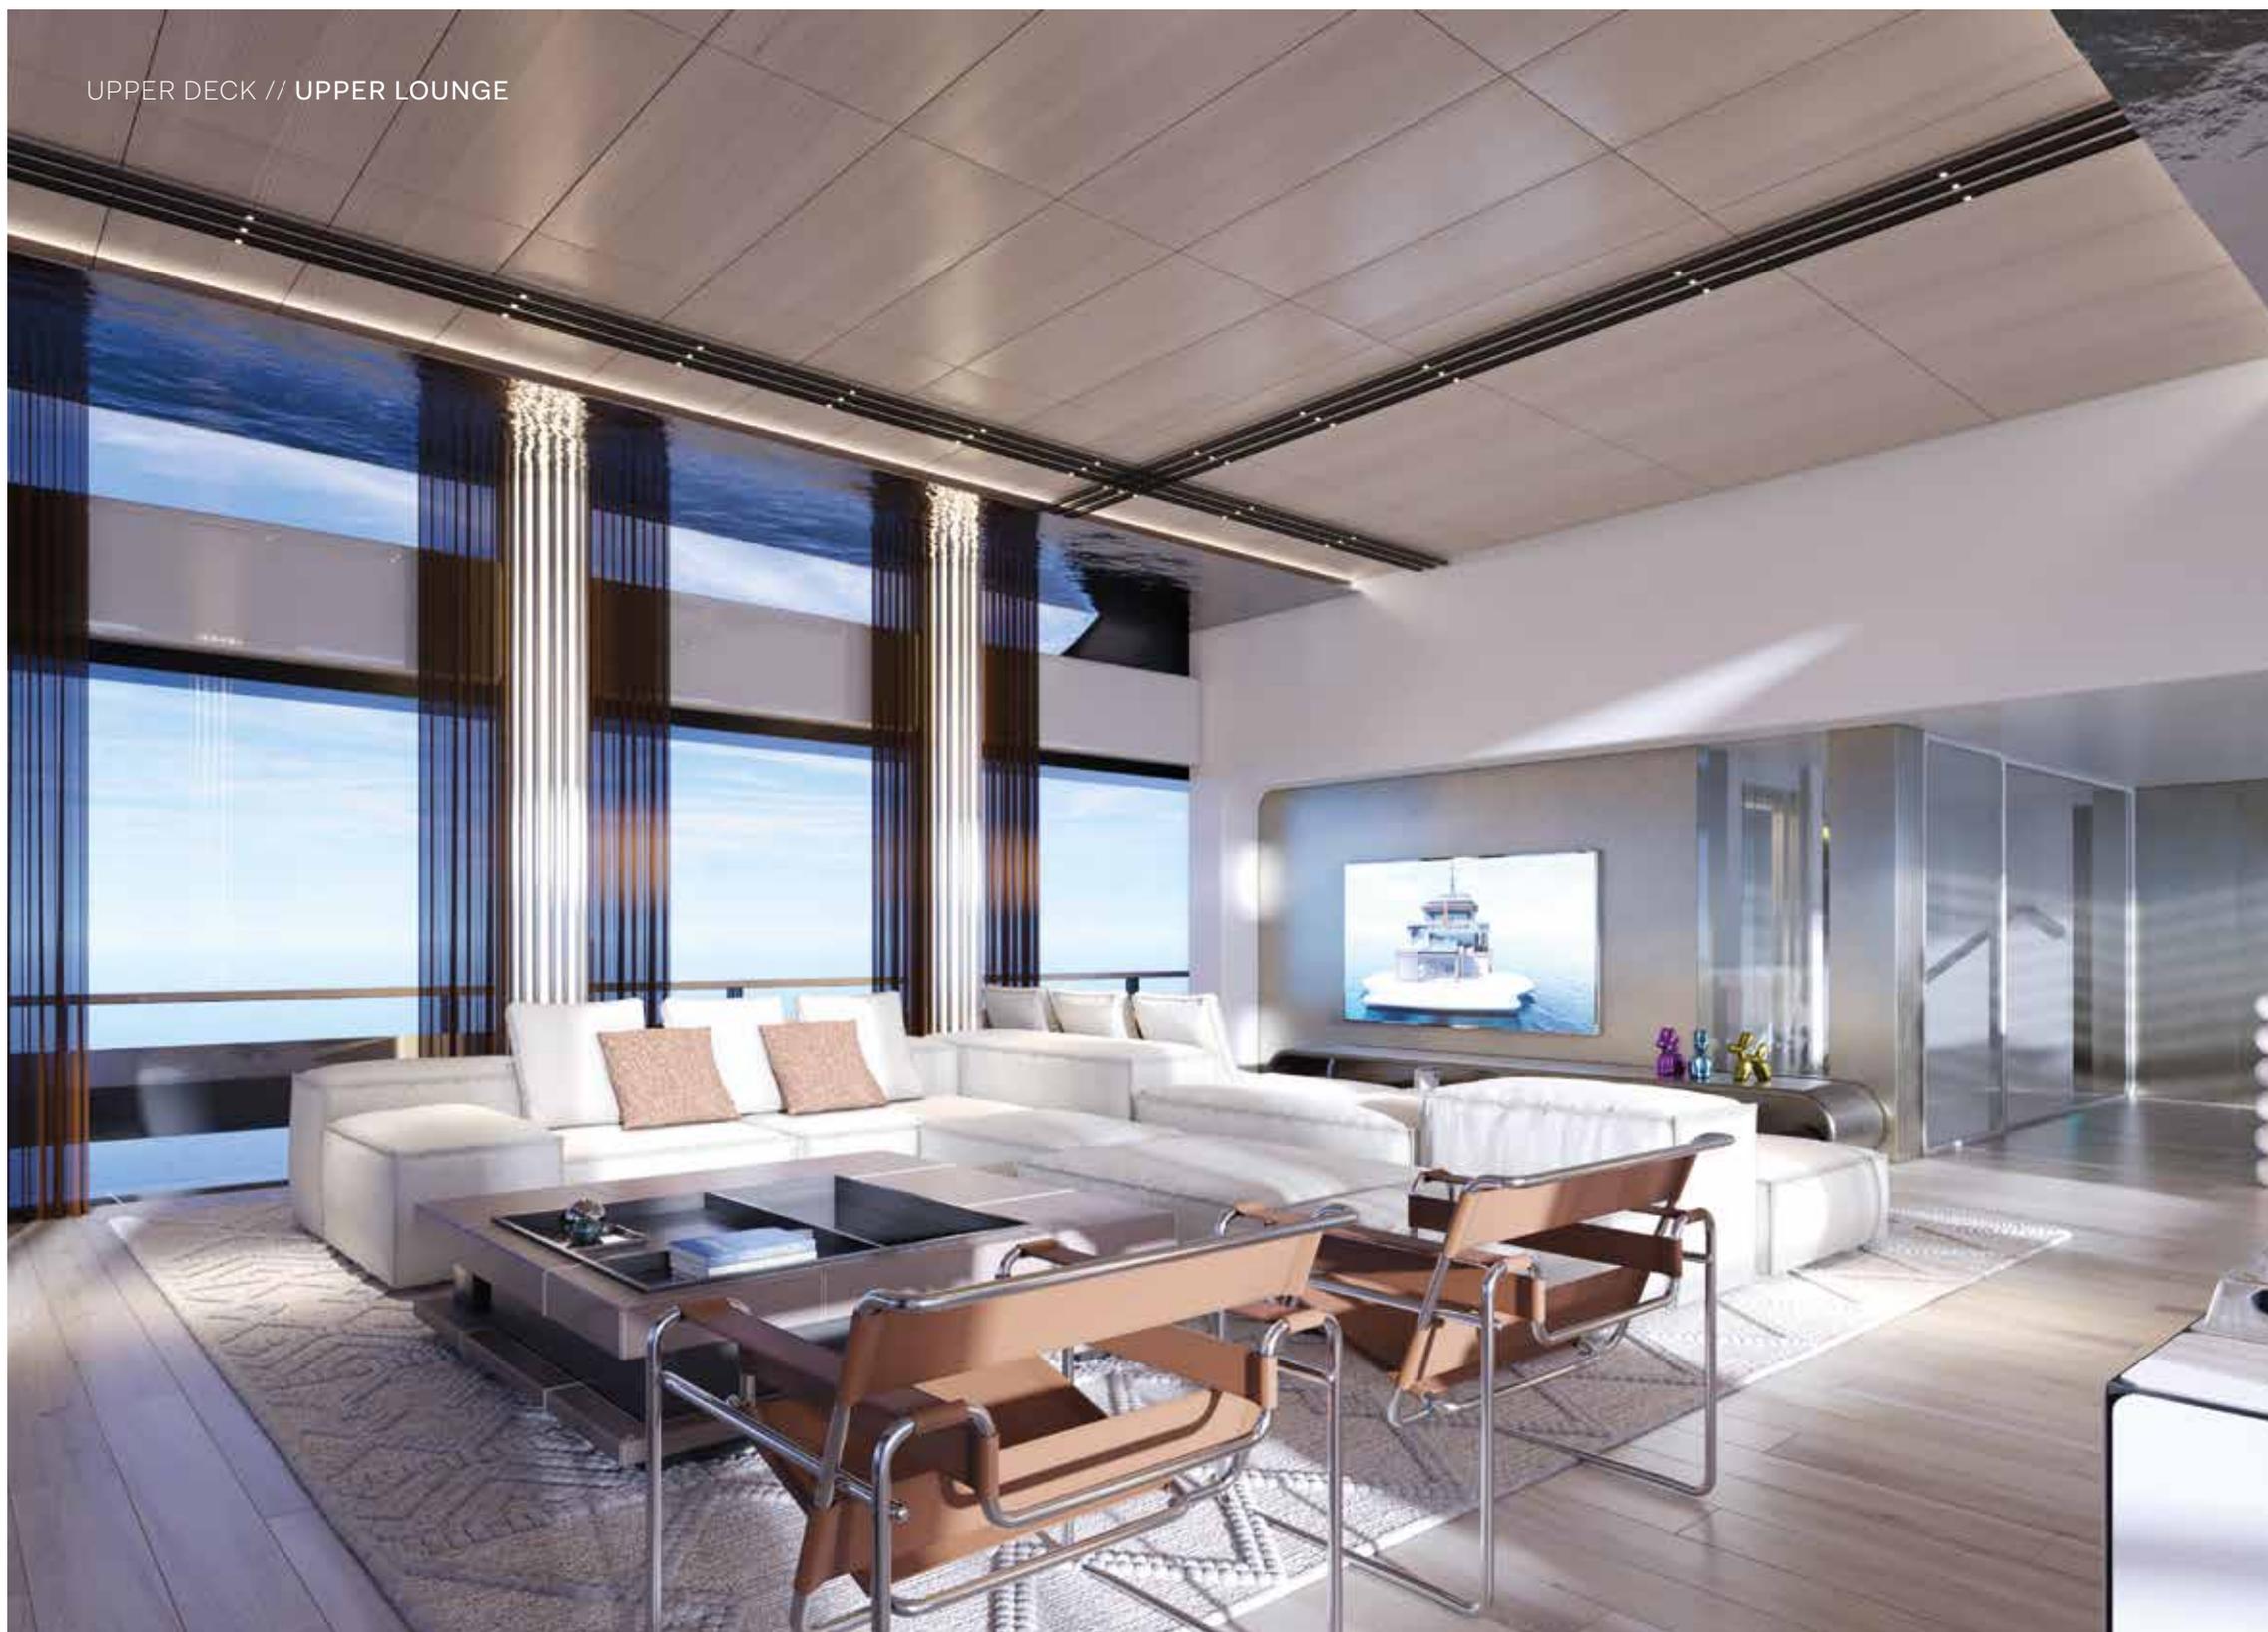

Completing the deck is the wheelhouse, a command center that stands out for its remarkable spaciousness, offering generous solutions for both the captain and the crew. Spanning 21 sqm, the fifth guest cabin is a serene retreat, filled with natural light through expansive panoramic windows that frame breathtaking sea views.

SUNDECK: INSPIRED BY ROOF-TOPS

The design of the Sundeck reflects a desire to bring the modern city lifestyle to the yachting experience, creating a private yet convivial outdoor living space.

The Sundeck of B.Loft 58M unfolds over 140 sqm, seamlessly blending covered and open-air spaces across multiple levels. At the aft, an expansive lounge area offers the perfect setting for relaxation and sunbathing, allowing guests to unwind while taking in breathtaking panoramic views. Moving forward, a 25 sqm enclosed gym serves as a harmonious transition between the interior

and exterior. Positioned at the heart of the deck, this forward-facing well-being retreat provides a private space for fitness and relaxation in an unrivaled location. For an even more immersive experience, its 5.7-metre glass door can be fully opened, seamlessly connecting the gym to the outside.

At the bow, a spectacular 55 sqm terrace creates an elegant dining setting, ideal for unforgettable gatherings and al fresco dinners, where guests can dine surrounded by endless ocean views.

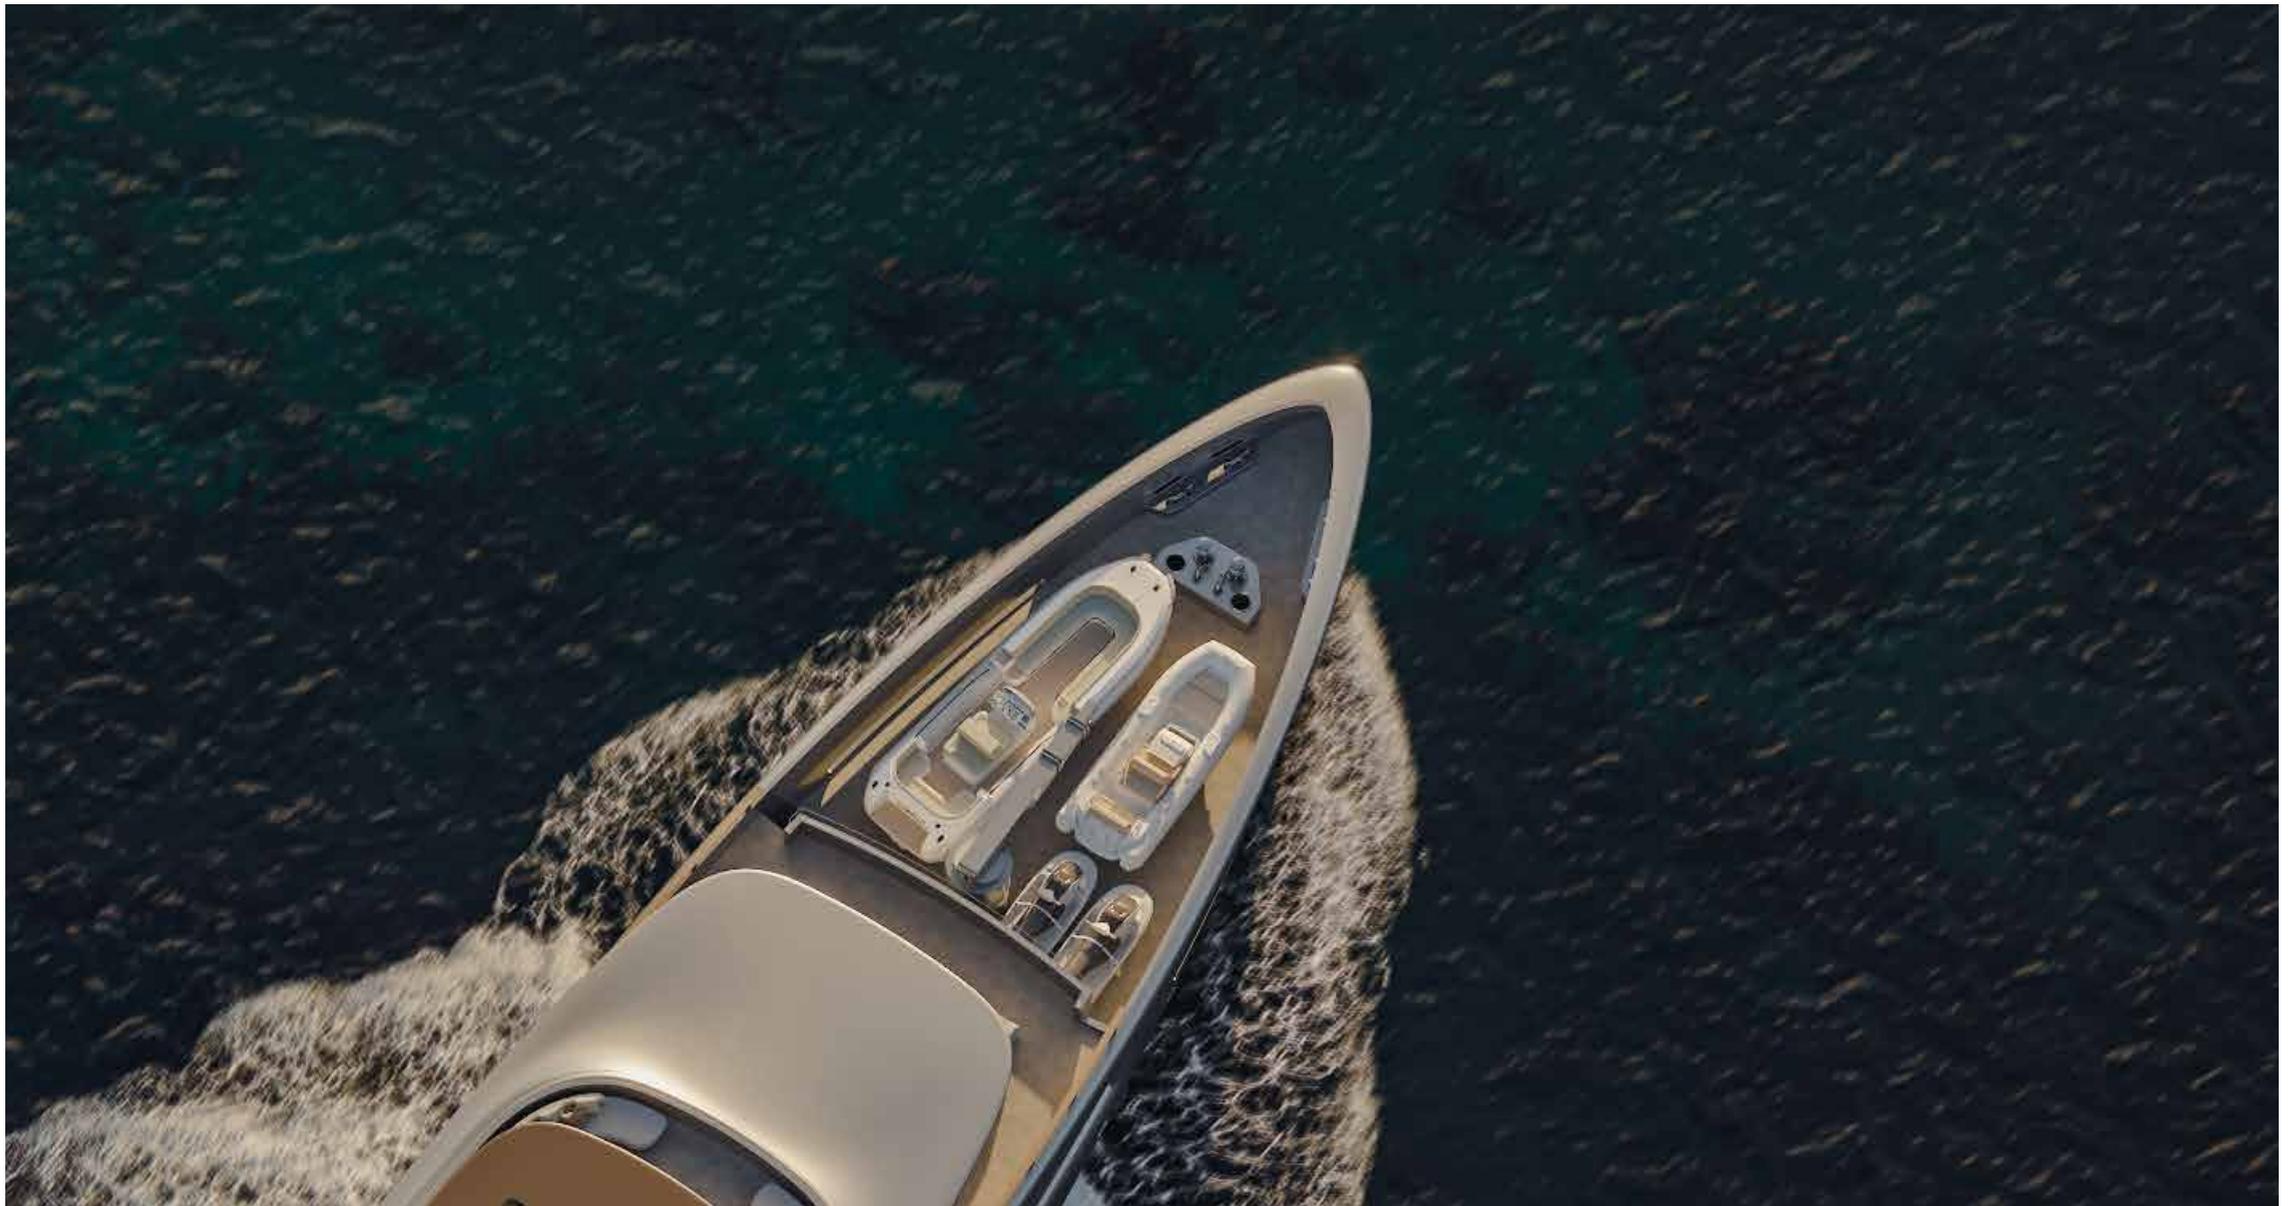

THE GARAGE: ADVENTURE AWAITS

Located at the bow of the Main Deck, the open garage spans over 60 sqm, offering ample space to accommodate a wide range of tenders and water toys—including a main tender up to 8.25 metres in length and two jet skis of up to 3.3 metres.

Thoughtfully designed to maximise storage capacity while ensuring seamless operations, this layout enhances the onboard experience, unlocking endless possibilities for water activities and adventure.
