A YACHT IN TOUCH WITH NATURE

THE PRIVILEGE OF A BOUNDLESS SEA EXPERIENCE

The Oasis Family expands to welcome the agile and innovative Oasis 34M. Encountering the demand of owners who desire a special yet effortless connection with the surrounding natural environment, she offers a unique sea-immersive experience through the revolutionary nautical design concept: the Oasis Deck®.

The openness and fluidity of her spaces blur the boundaries between the interior and the exterior, recreating the sense of airiness conveyed by the volumes of the Oasis 40M without impacting her sleek and stylish aesthetic.

The Oasis 34M provides a refined, functional, and dynamic retreat, encouraging a laid-back and convivial lifestyle punctuated by informal luxury at one with the ocean.

THE OASIS 34M EMBODIES THE SIGNATURE BENETTI OASIS DNA WHILE COMBINING A STYLISH EXTERIOR WITH THE UNDERSTATED ELEGANCE OF OPEN-PLAN INTERIORS.

CONTEMPORARY AND CUTTING-EDGE, SHE PROVIDES A LUXURIOUS YET LAID-BACK OASIS THAT GRANTS INCREASED ACCESS TO THE SEA AND CONNECTION WITH THE NATURAL ENVIRONMENT.

THE OASIS DECK® DESIGN CONCEPT

AN EXCLUSIVE SEA TERRACE FOR FUN, RELAXATION, AND CHARMING CONVIVIALITY

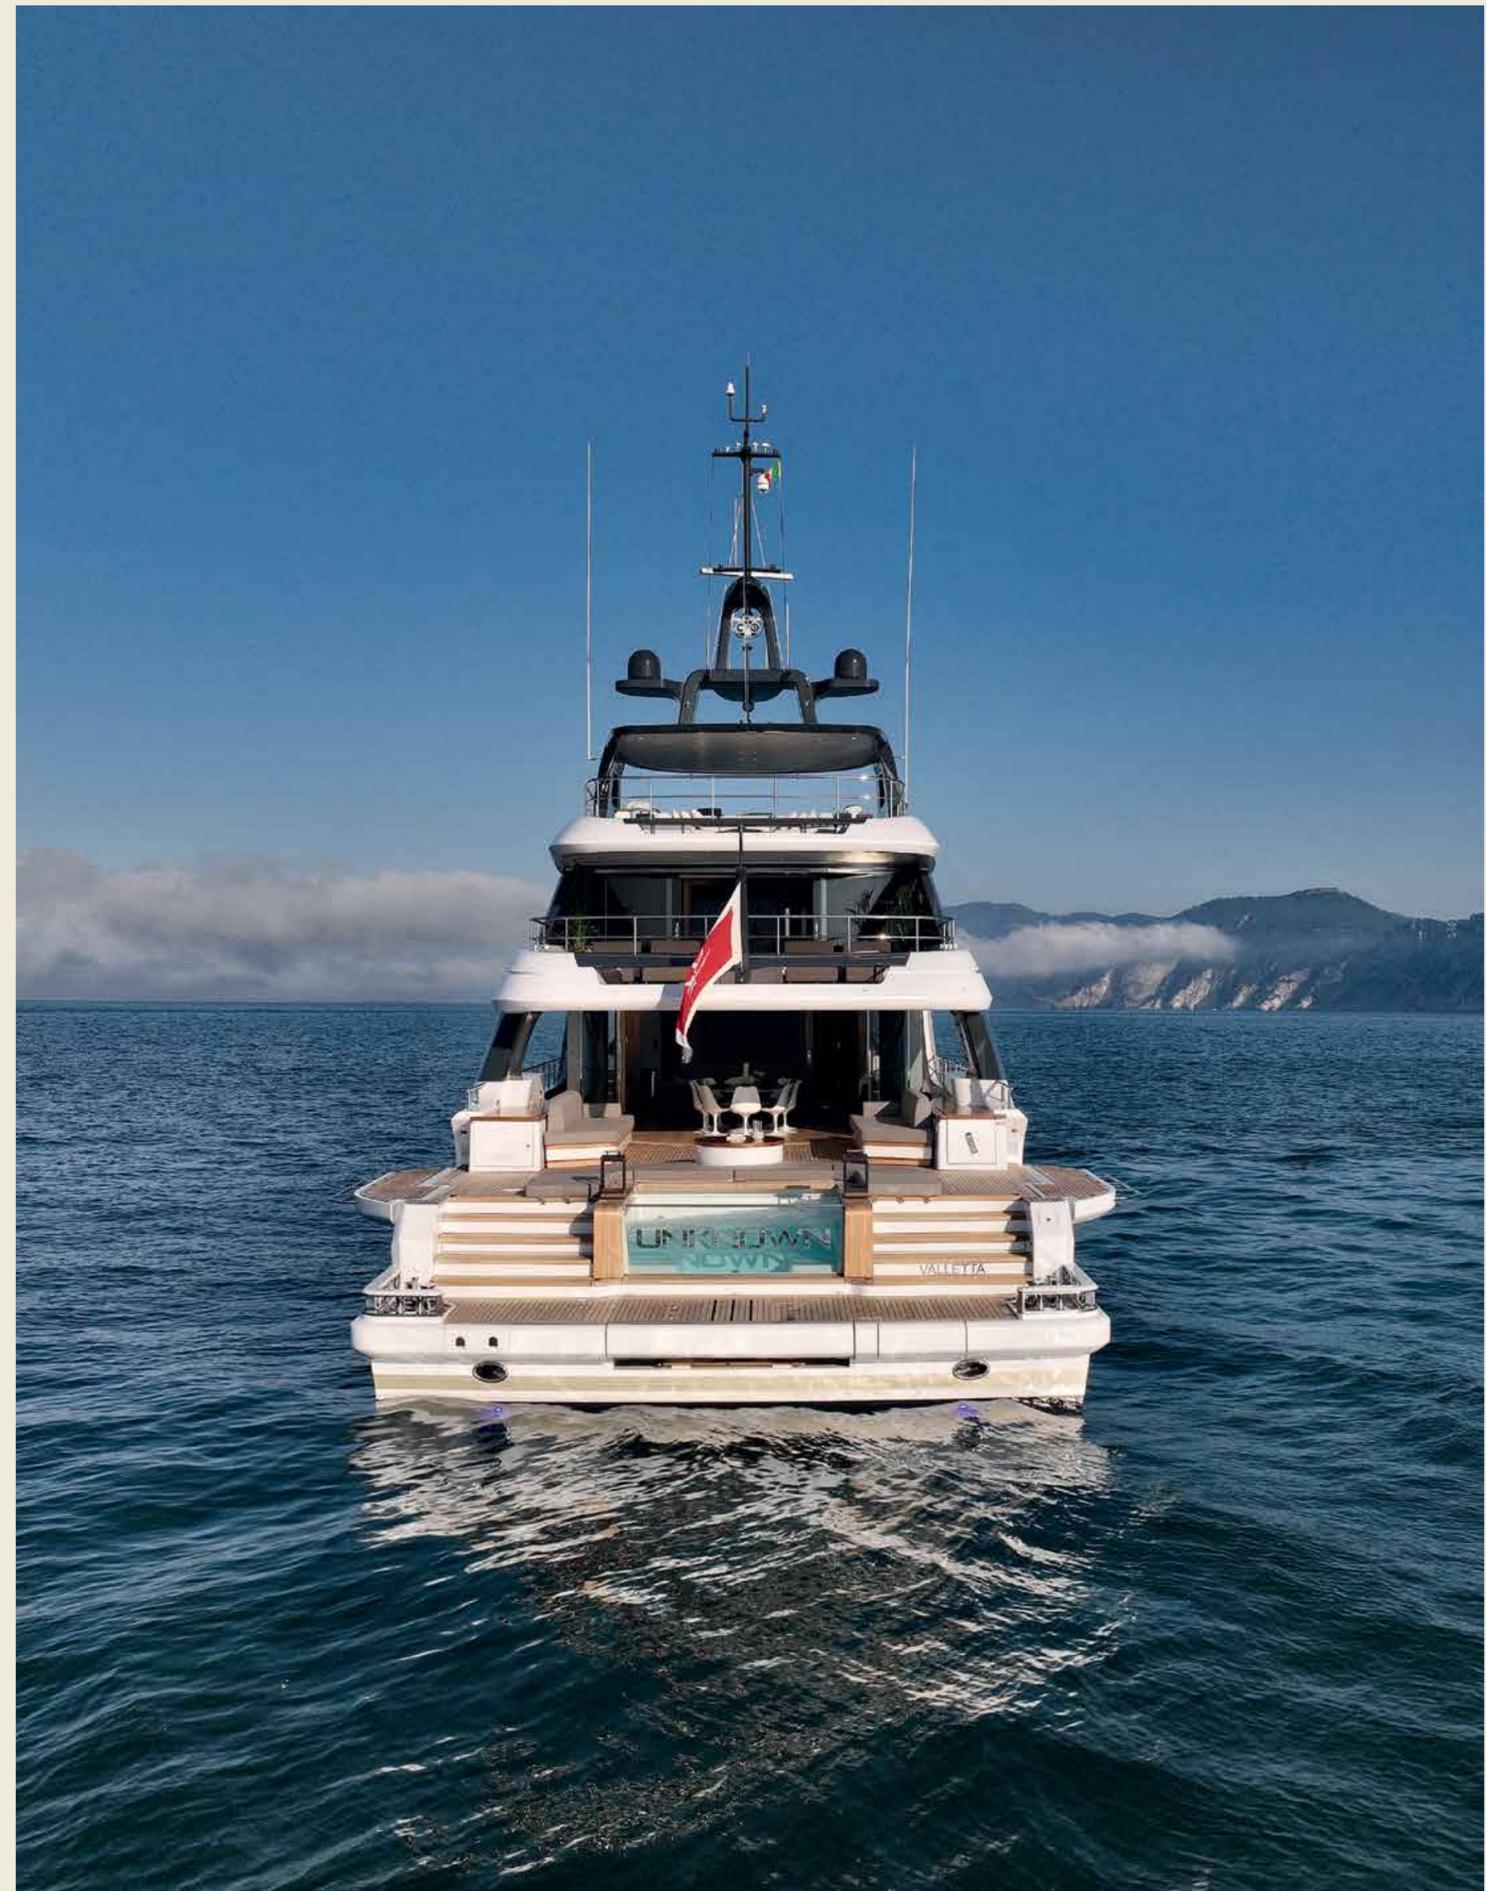

The distinctive allure of Oasis 34M is defined by the Oasis Deck®. This breathtaking concept is a contemporary interpretation of a spontaneous and easygoing lifestyle on board and gives the possibility to live a unique connection with the sea.

The fold-out wings expand the sunbathing area over the water to offer impressive 270-degree views, a unique layout achieved through an intelligent engineering solution that positions the tender storage on the port side aft, just beneath the Oasis Deck®. Thanks to the complete absence of physical barriers, the open layout creates a seamless visual experience with the

sea and the Main Deck's interior, enhancing the exceptional versatility of this open-air lounge.

With only five steps separating guests from the water, access to the sea is further facilitated through a mobile Sea Lift, which can also be used as a diving springboard and as a jet ski hauling system. The luxurious infinity pool integrated into the center and the sun pads around it create a chic yet casual atmosphere, perfect for socializing right by the ocean.

The adaptable and functional nature of the Oasis Deck® allows guests to enjoy it also at night, when soft ambient lighting and the hidden fire pit transform the space into a sophisticated star-gazing haven.

OASIS 34M, OPTIMIZED FOR GREATNESS

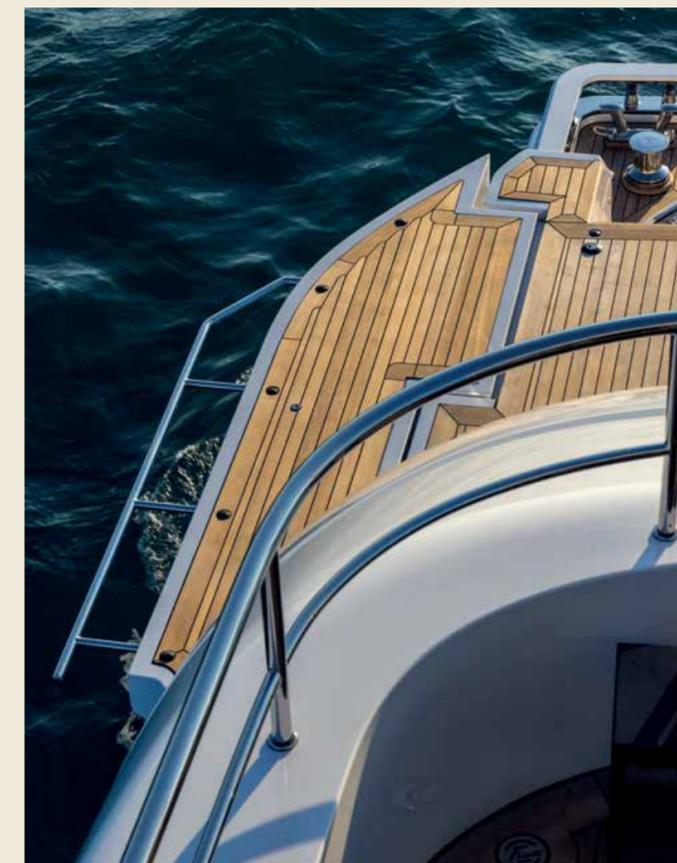

THE FIVE KEY FEATURES OF THE OASIS DECK®

The Oasis 34M successfully displays the signature design features of the Oasis family, offering a bold and remarkably appealing exterior while maintaining the inviting onboard volumes of the Oasis 40M.

FOLD-OUT WINGS FOR A SUPERIOR RANGE SEA-TERRACE

Present on either side, the wings can be opened to extend the deck width to cover a total area of 76m², providing closer contact with the water and protection from the waves.

AN UNOBSTRUCTED
270-DEGREE VIEW

Walking through the Main Salon, and right from the center of the socializing area, a 270-degree open view in the direction of the stern gives the possibility to immerse oneself in the natural surroundings.

A STUNNING INFINITY POOL

Integrated into the heart of the sunbathing and lounge area, the sunken pool represents a refined centerpiece with a carefree allure for socializing in proximity to the ocean.

SEAMLESS SPACES
FOR ABSOLUTE FREEDOM

A sleek connection between the interior and the exterior areas allows owners and guests to smoothly transition through, suggesting relaxed atmospheres for an informal and flexible lifestyle on board.

SOCIAL DESIGN
TO ENHANCE CONVIVIALITY

Every aspect, from the Main Salon to the Oasis Deck®, is conceived with a social design logic to create a unique and superior convivial experience surrounded by marine beauty.

THE OASIS DECK® REPRESENTS A BRILLIANT PROPOSAL
FOR SUPERYACHT OWNERS WHO DREAM OF LONG STAYS ON BOARD.

ITS OUTSTANDING FEATURES AND UNIQUE OPENNESS ENHANCE
AUTHENTIC AND CONTINUOUS CONTACT WITH THE SEA.

OPEN SPACES AND FLEXIBILITY ON BOARD

The Oasis 34M presents an open-plan design like the Oasis 40M, avoiding divisions between the interior and the exterior in favor of a seamless connection between the environments. The interior concept, curated by the Benetti 'Style Department' in collaboration with Bonetti/Kozerski, focuses on inviting natural light, materials, and colors from the outside. Aesthetic continuity and the sensation of a spacious and tranquil ambiance are further characterized by furnishings inspired by the sinuosity of the waves.

[Main Deck]
Main Salon & Dining

[MAIN DECK] The Main Deck interior may provide a traditional dining area configuration for a large number of guests upon request. The open-space plan connects the ambiance to the aft deck and right down to the Oasis Deck®, delivering a sense of total freedom accompanied by an astonishing view.

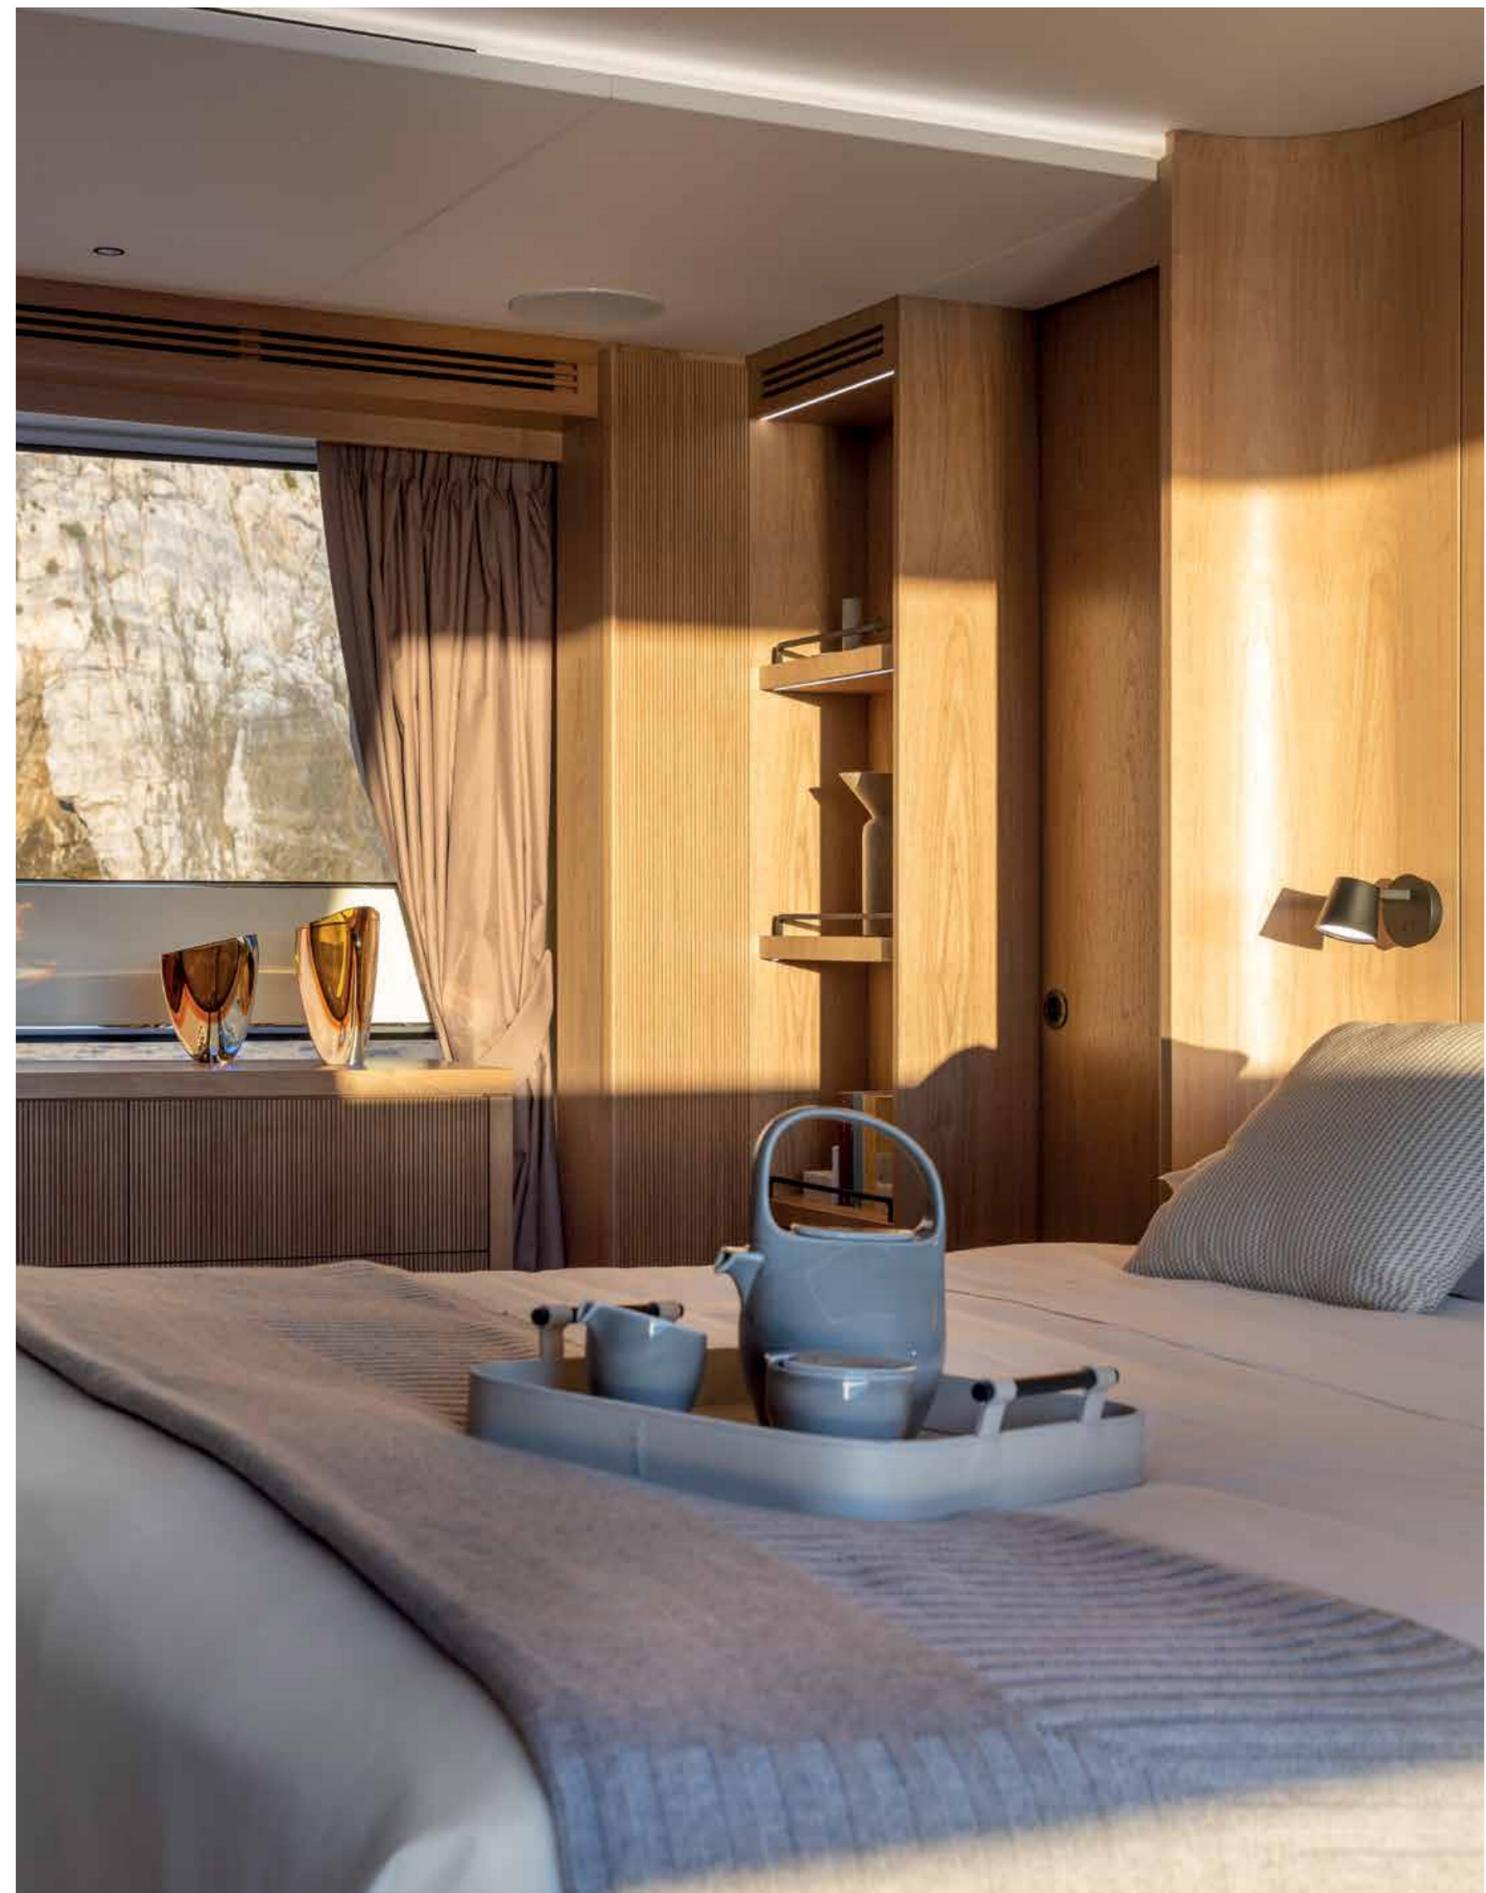

[MAIN SALON & DINING] Ivory leather ceilings are exalted by vertical walnut panels designed to conceal extra storage space or technical areas, while the light wood parquet effortlessly dialogues with the teak of the exterior setting.

[Main Deck]
Owner's Suite

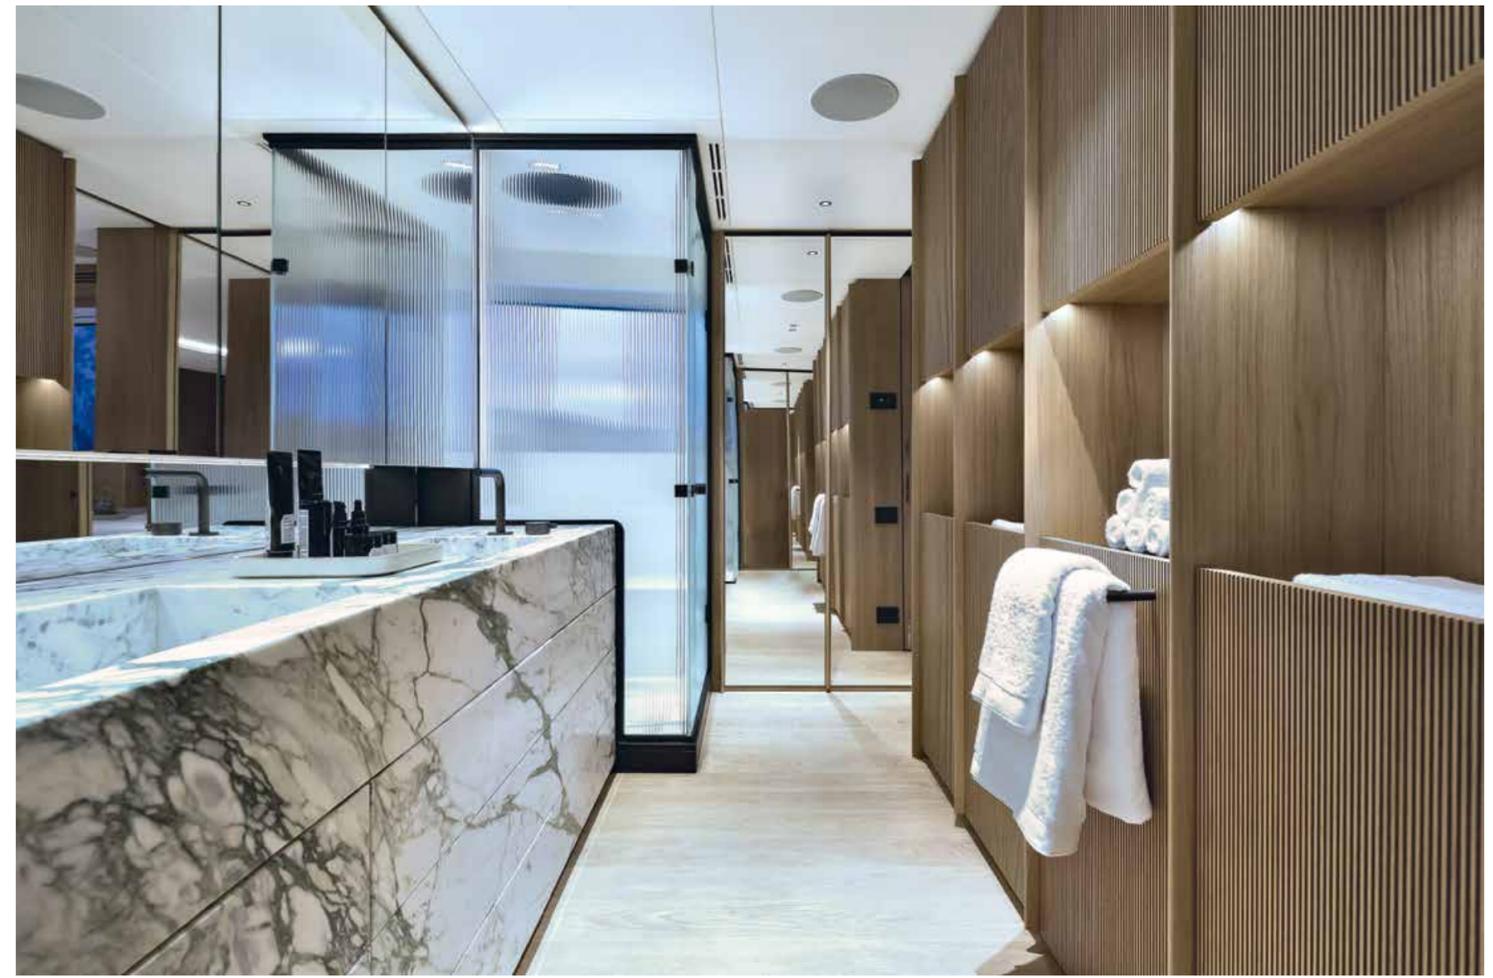

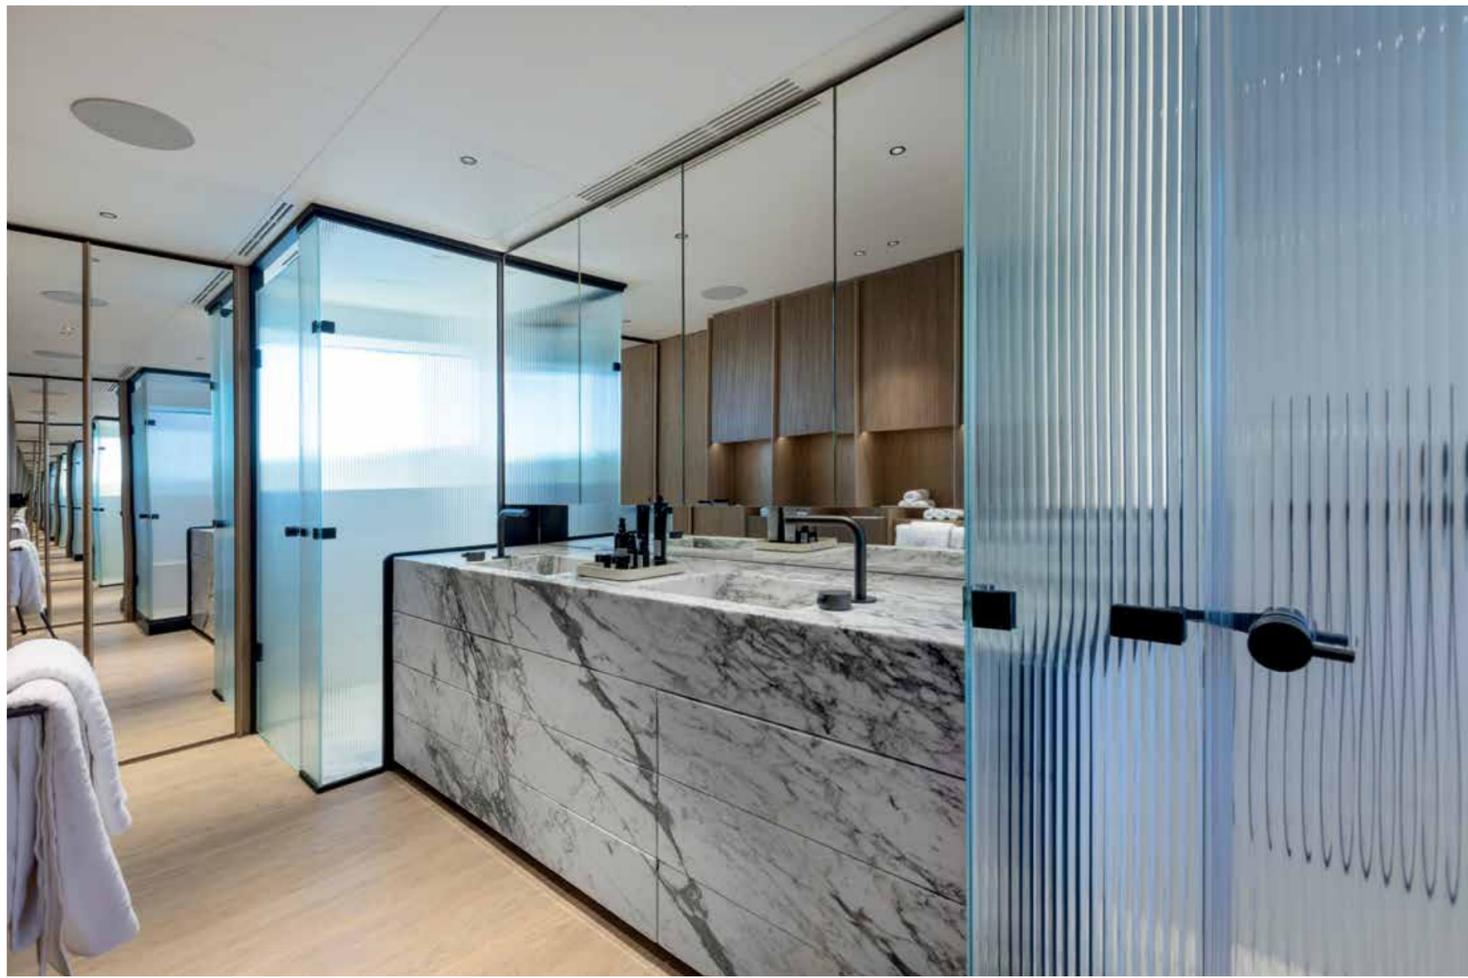

[OWNER'S SUITE] The master cabin situated in the bow follows the organic open-space concept encountered in other areas of the Oasis 34M. The large windows that communicate with the external environment and the bed's wooden headboard free-floating in the center further amplify the room's light and airiness.

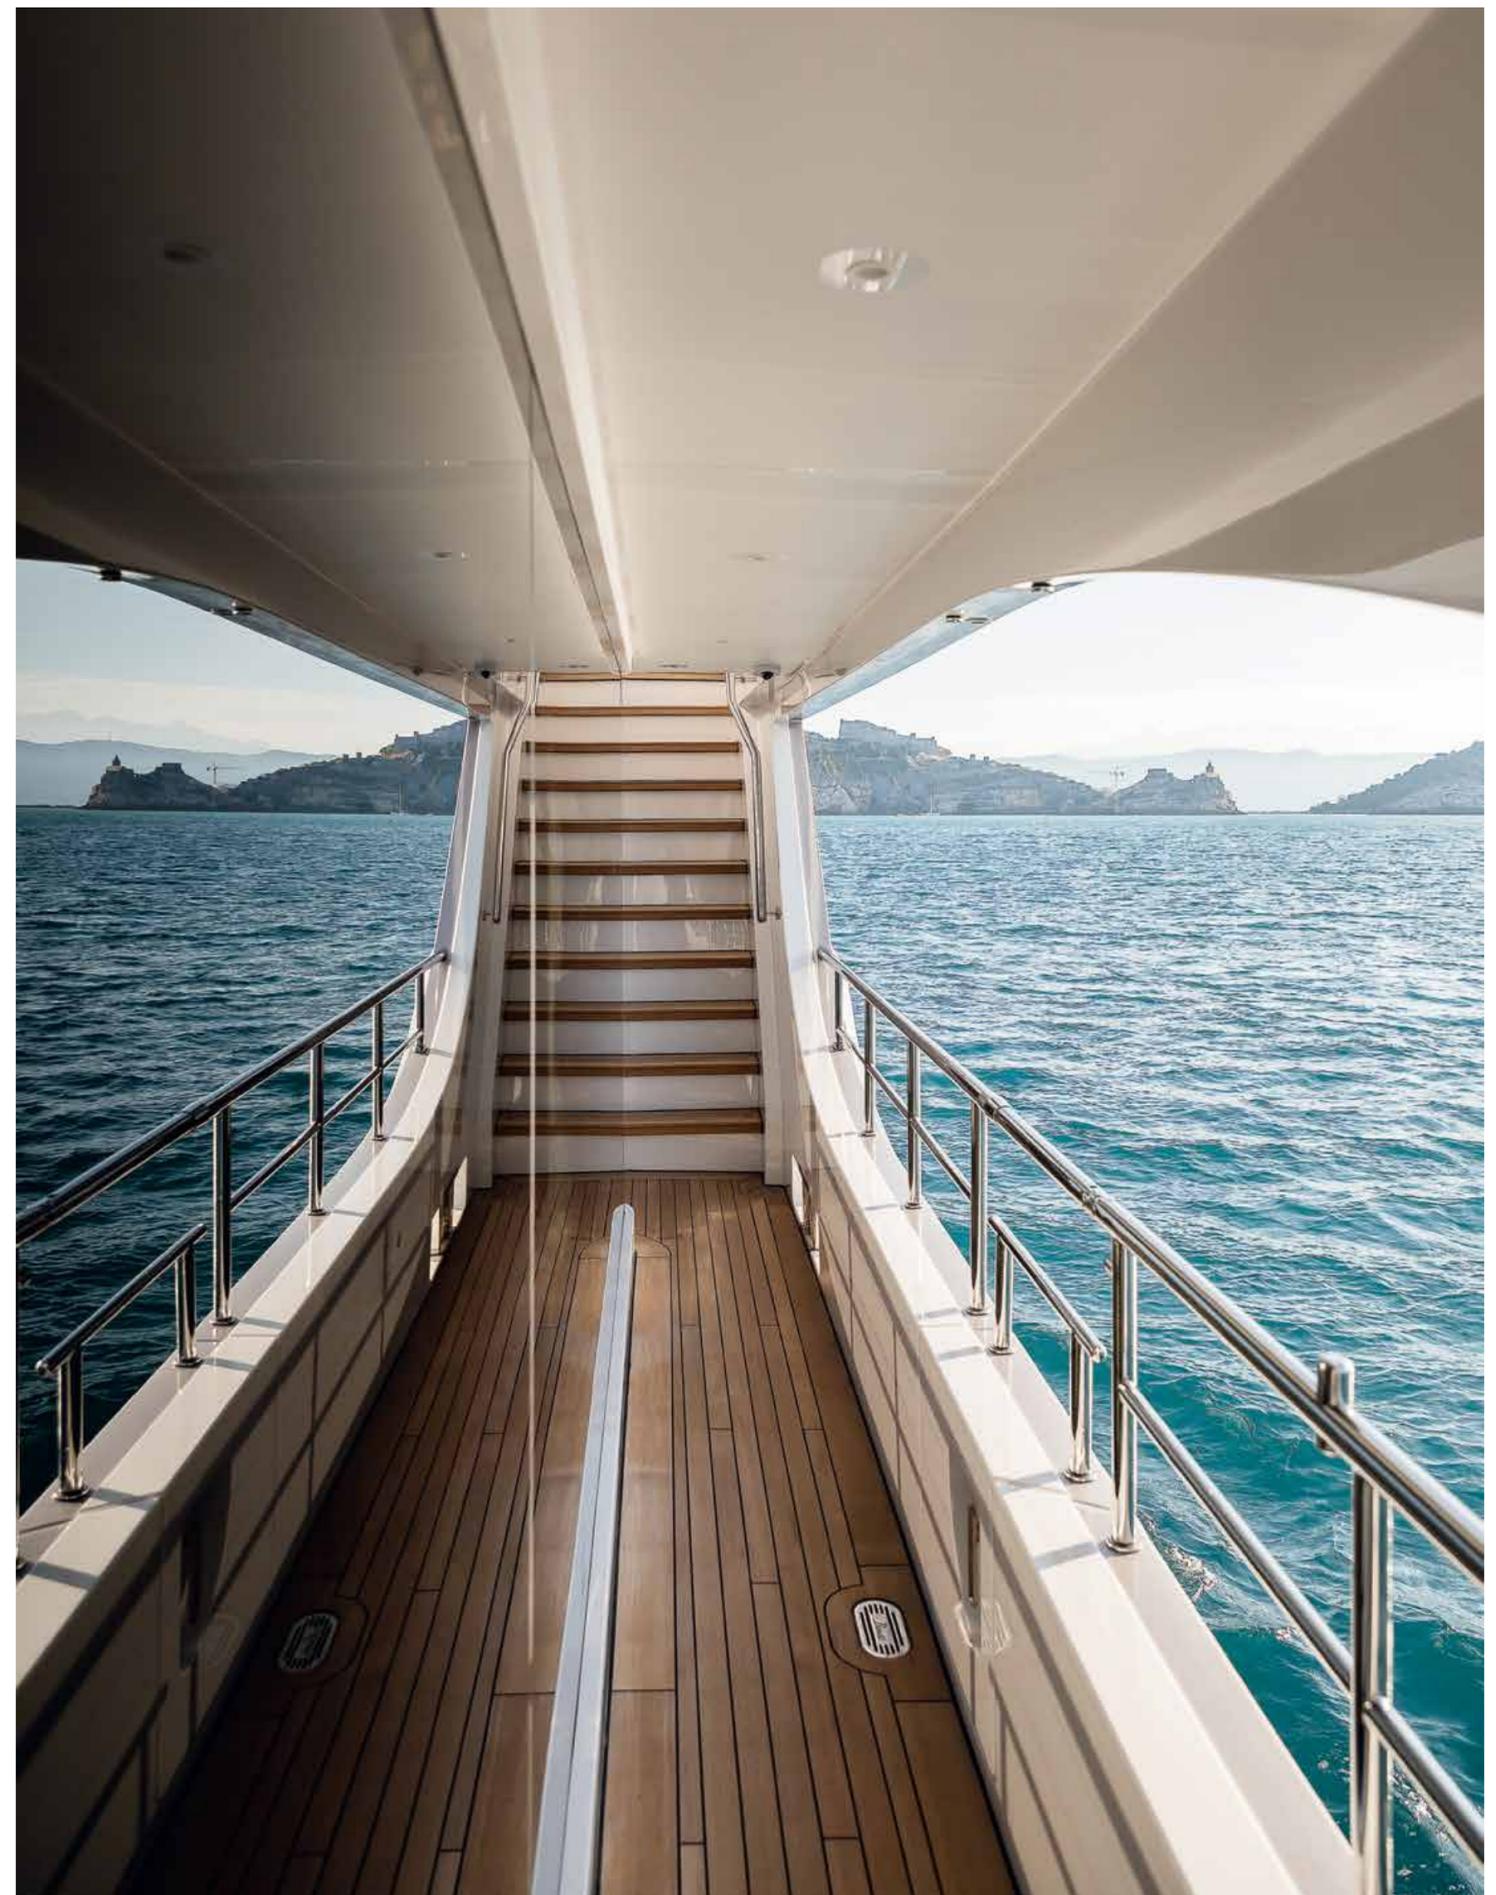

Upper Deck

[UPPER DECK] As guests seamlessly move from the Main Deck to the Upper Deck, the consistency of the materials and wide-glazed surfaces continue to blur the distinction between the exterior and the interior, maximizing one's relationship with the ocean.

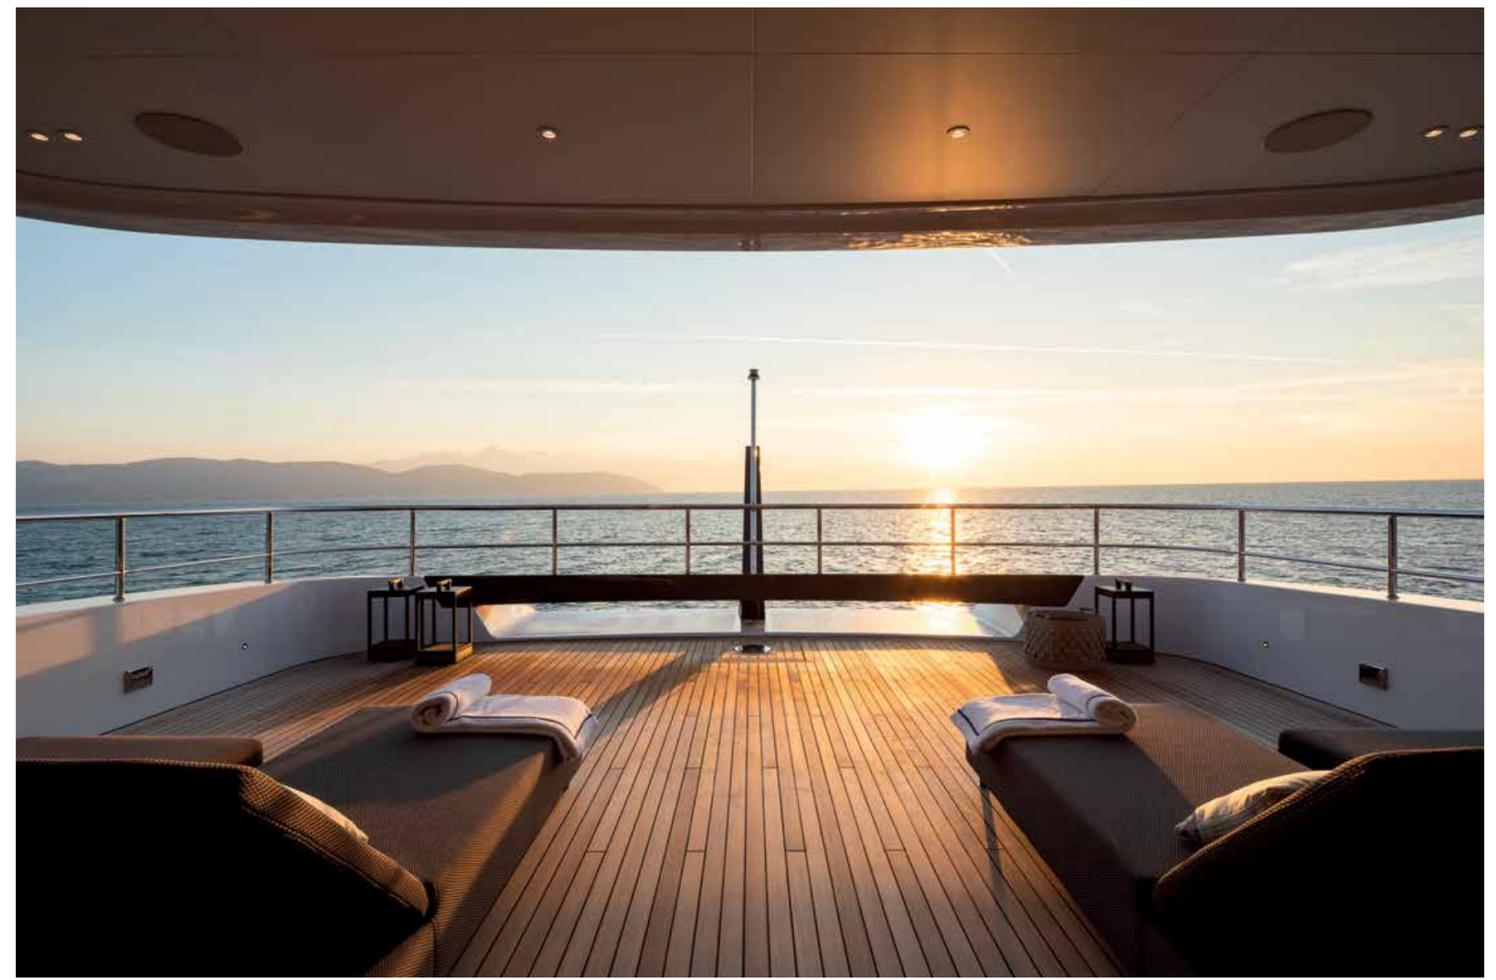

[LOUNGE AREA] The lounge area in the bow allows guests to enjoy the sun as much as the shade, thanks to the retractable awning that can be extended across the space.

[UPPER DECK] The inviting Upper Deck sky lounge overlooks the Oasis Deck® and is the perfect location for an elevated open-air vision of the sea. The sun pad setting outside gives way to a cozy tv lounge inside.

Sun Deck

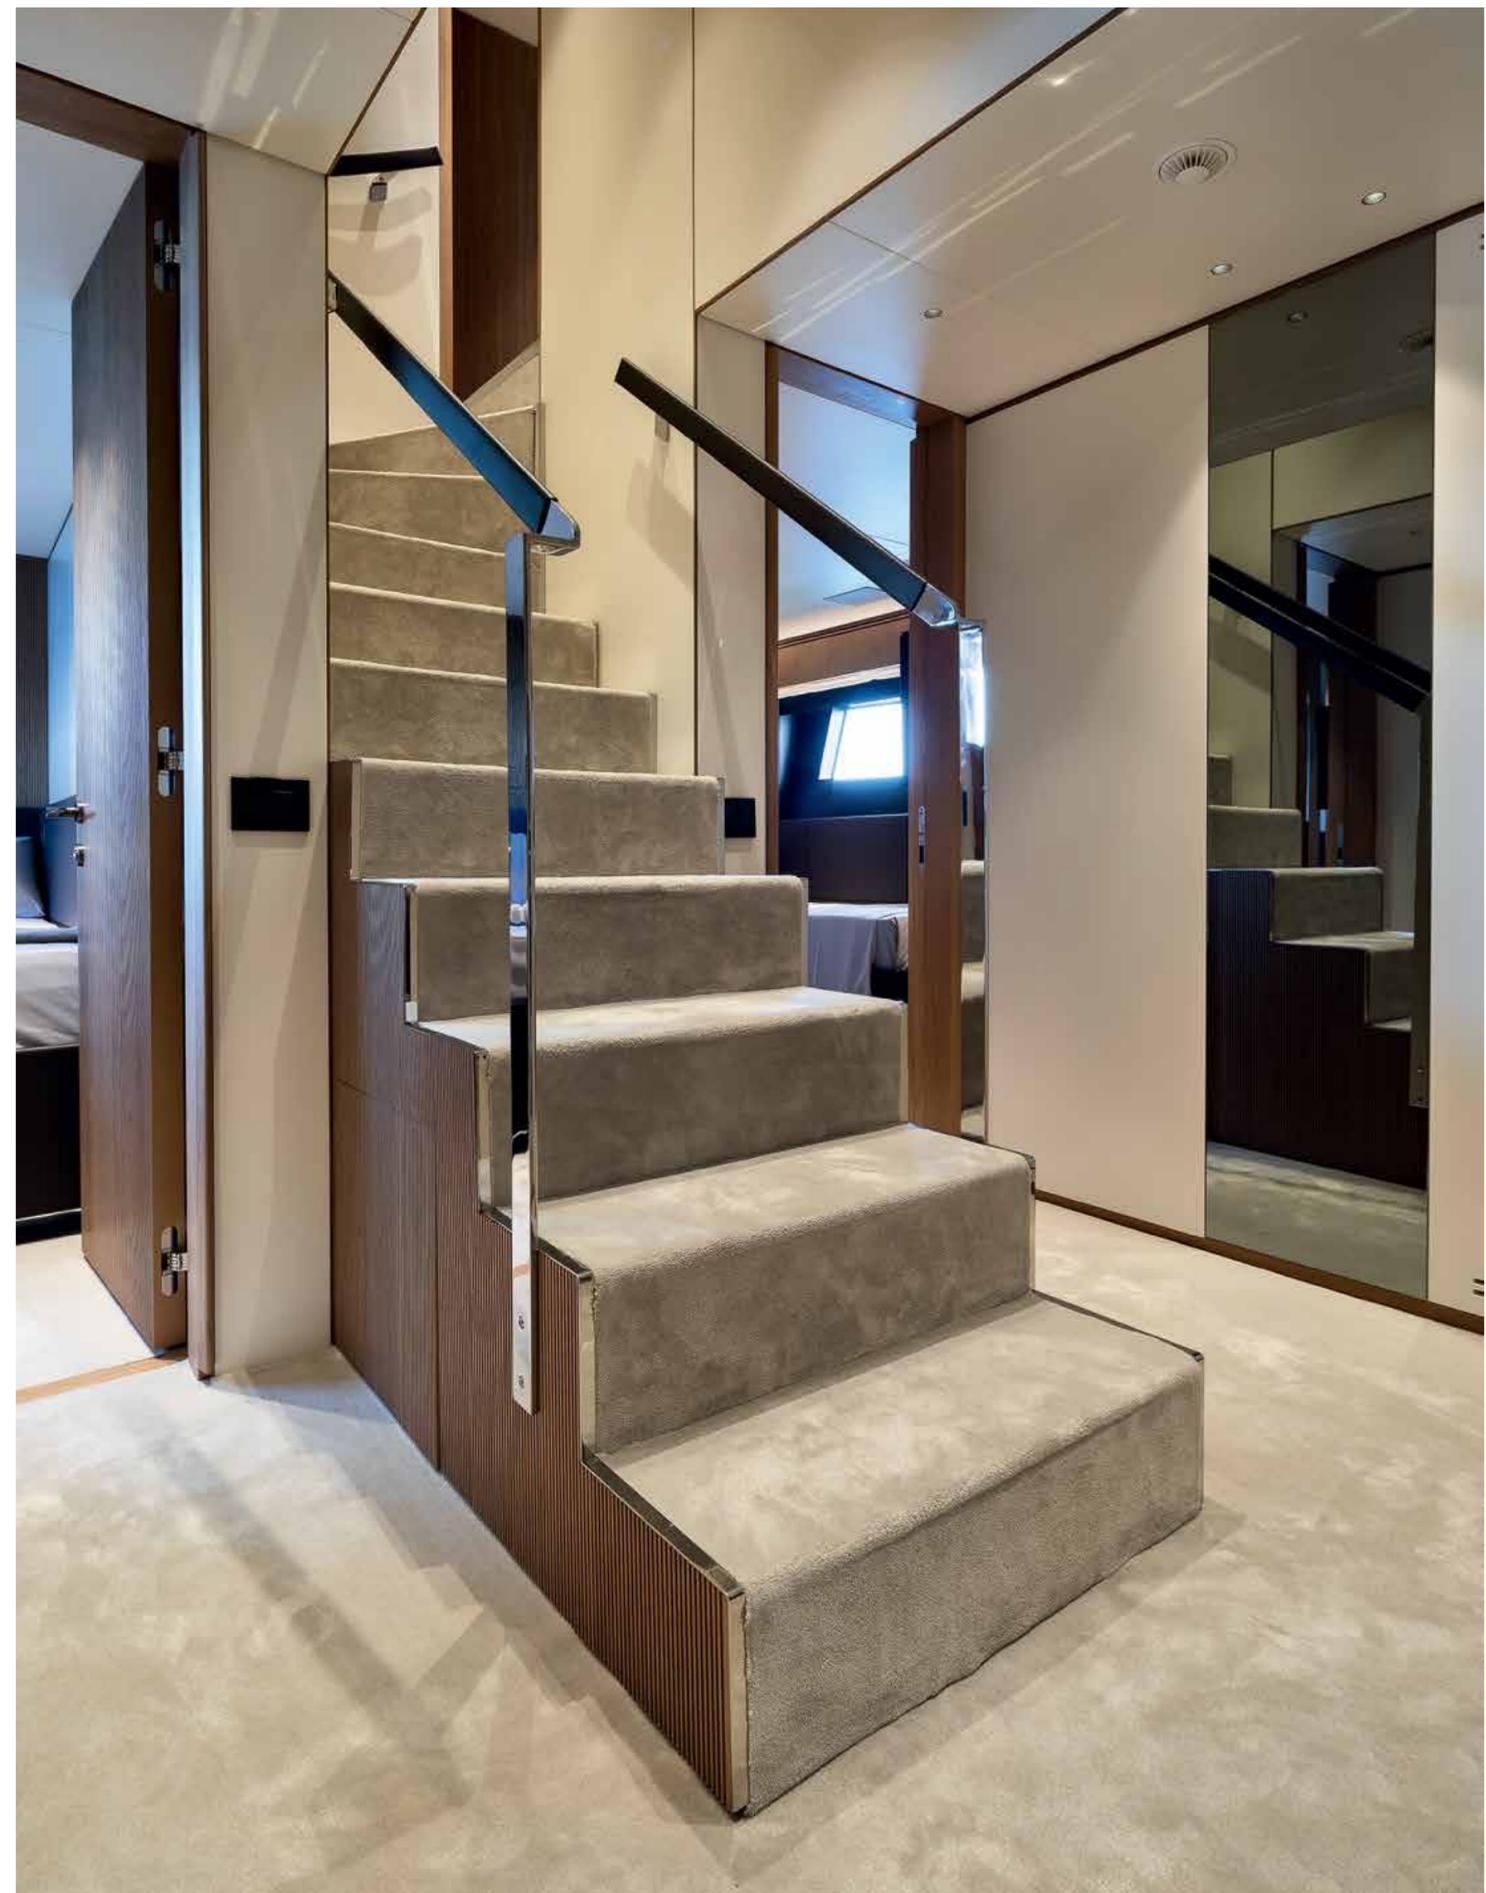

[SUN DECK] On the Sun Deck, guests can enjoy a large dining area with a voluminous pantry sheltered by a carbon fiber hardtop.

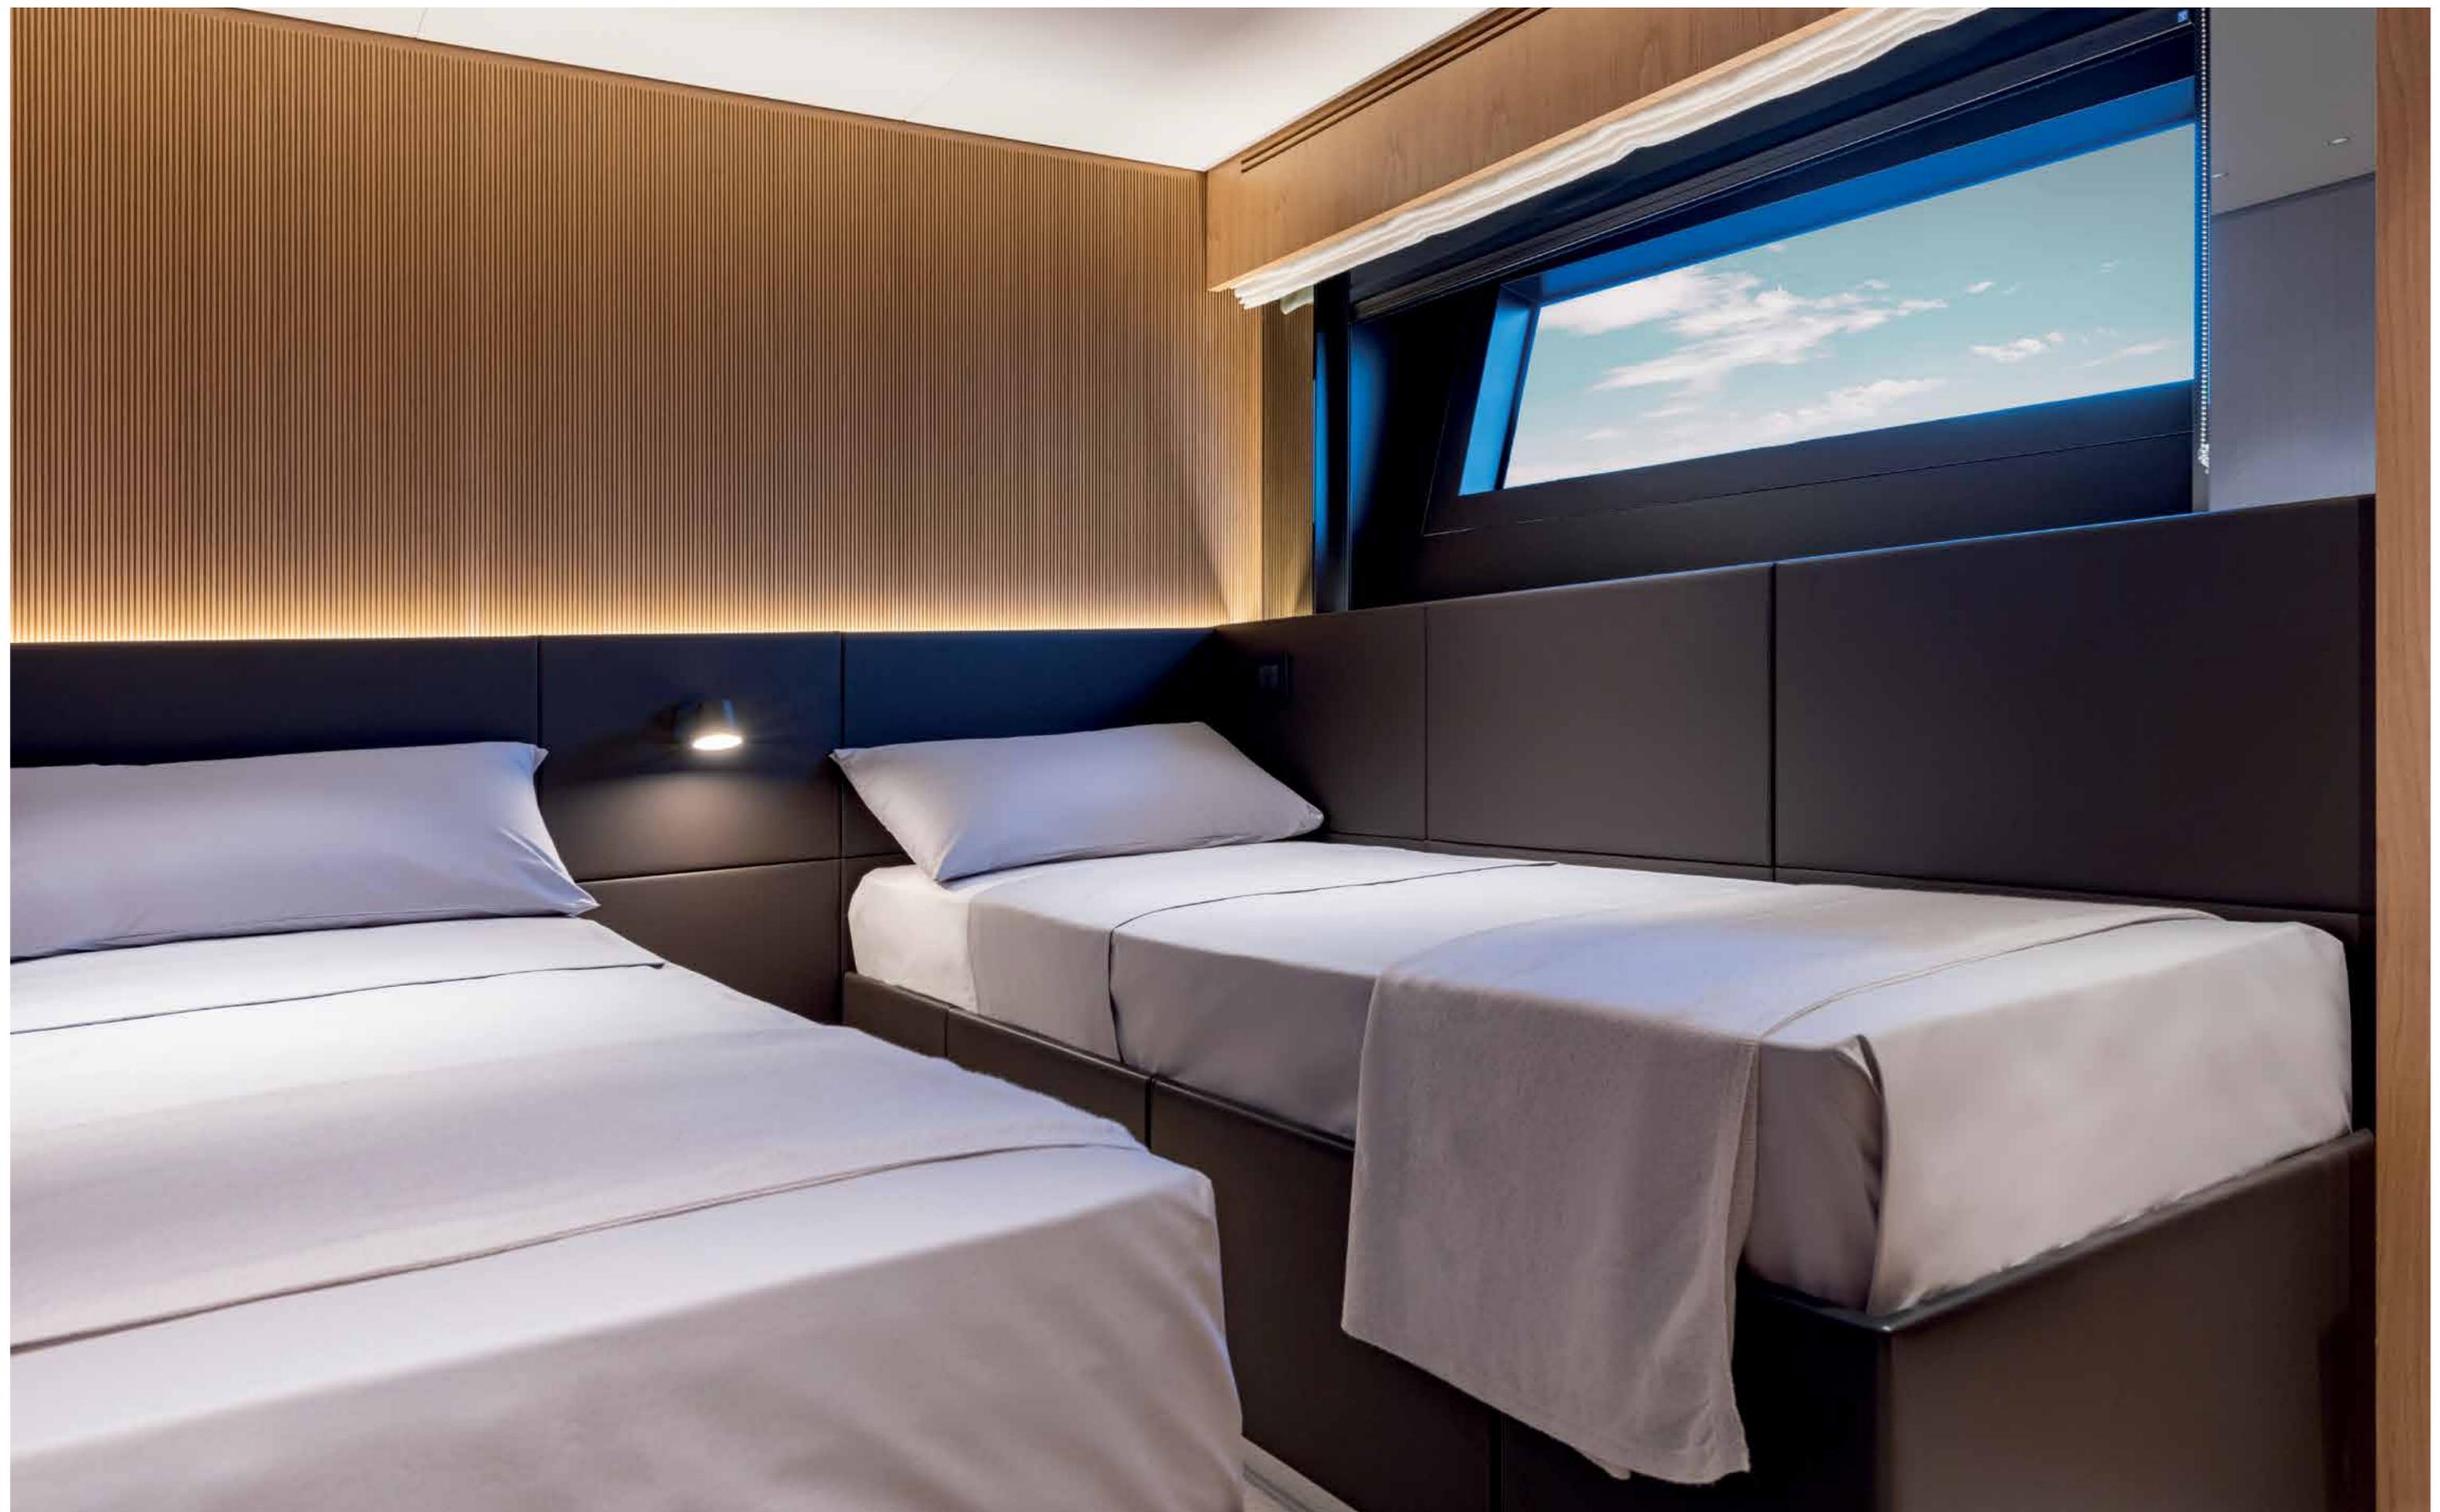

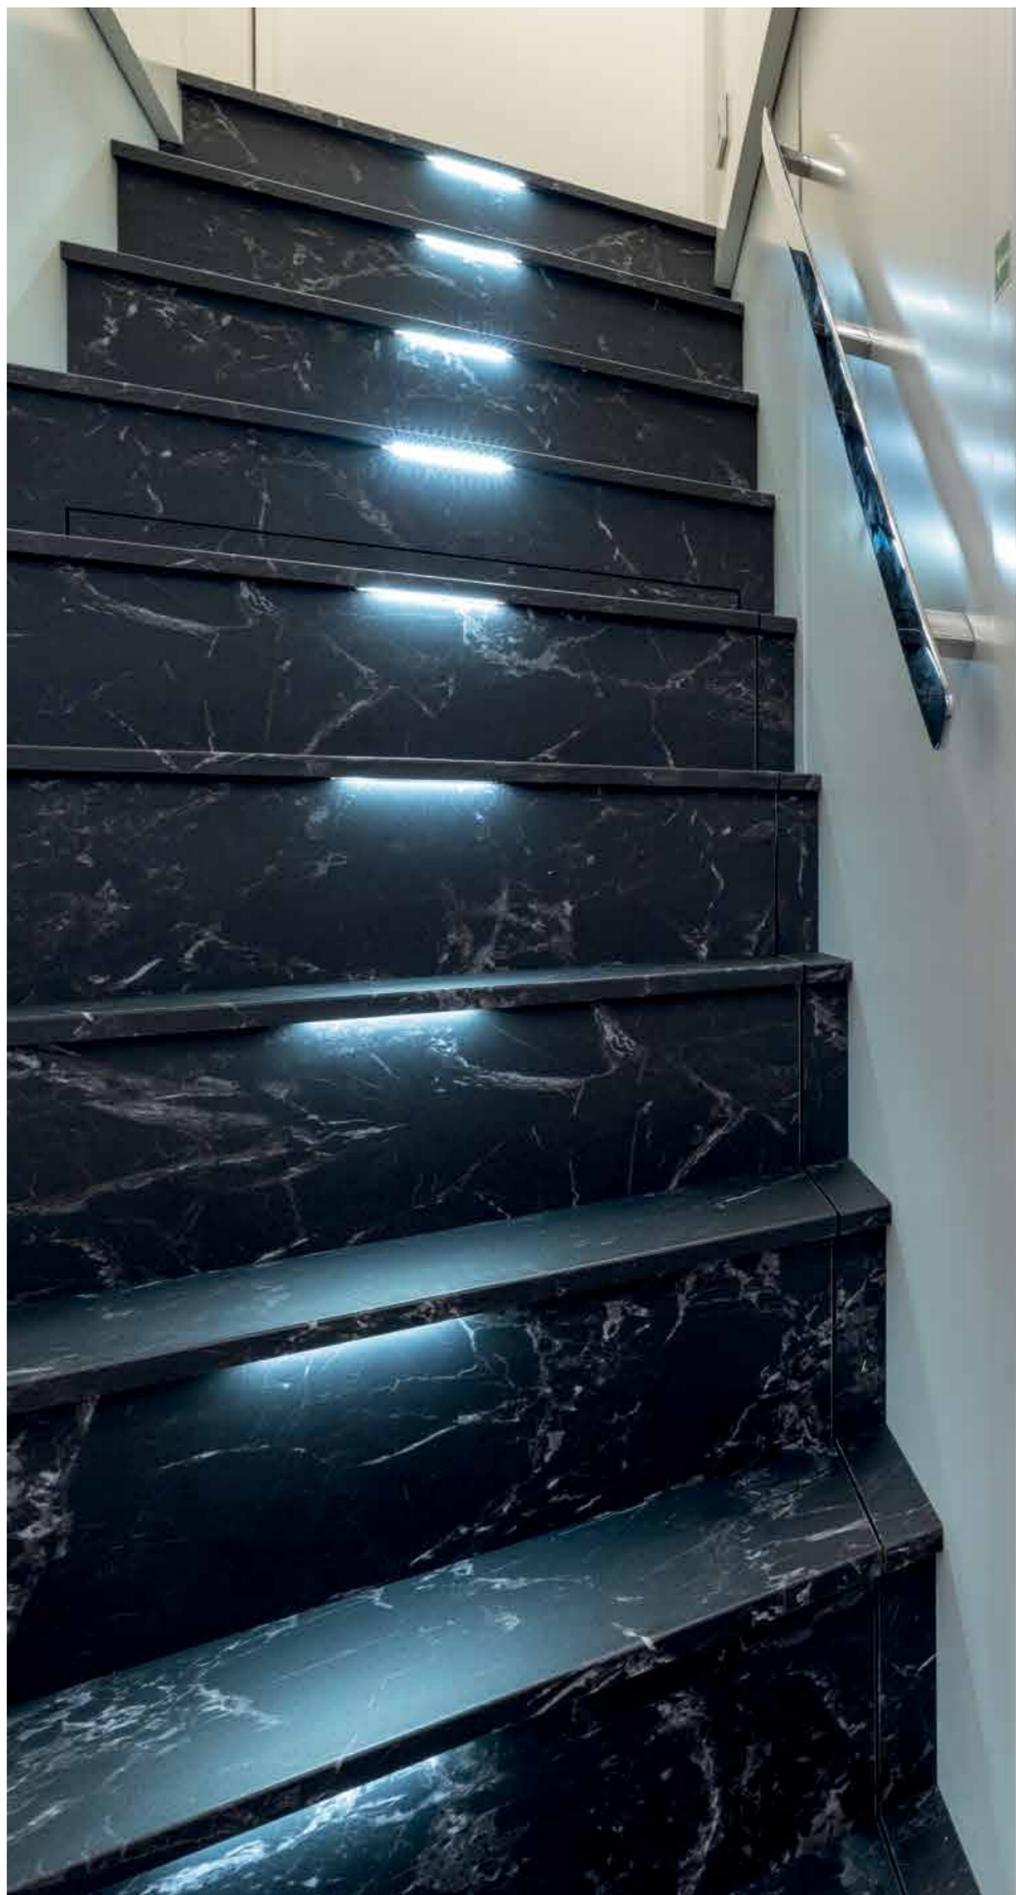

Lower Deck

[LOWER DECK] The Lower Deck offers two comfortable VIP staterooms and two Twin staterooms situated in the stern, each endowed with beautiful views of the sea and a private bathroom. The bow, conceived as a service area, contains the crew quarters with three cabins and a dedicated dining area.

Exteriors

[EXTERIORS] At night, underwater lamps placed around the hull underneath the Oasis Deck® create a striking visual effect for a truly unique and alluring atmosphere.
